CALL TO ORDER

1. Welcome and Introductions: The September 26, 2016 meeting of the Local Mental Health Board (LMHB) was called to order at 7:04 PM; introductions were made.
2. Public Comment:
 - Community member and former LMHB member Caren Livingstone shared her concerns around the hospitalization and care of loved ones. She expressed support of increased services in the City of Davis. Specifically she believes more crisis services and daily triage is needed to increase access to mental health services.
 - Community member Nancy Schaezlein-Zipse shared concerns over the limited access to services available for UC Davis students, stating that the student health insurance does not adequately cover psychiatrist services for long term issues. As a separate comment, Nancy also noted concern that supplemental security income (SSI) clients with serious mental illness diagnosis are eligible for CalFresh however those with dual diagnosis may not be eligible for this same support.
 - Joan Beesley, Yolo County's Mental Health Services Act (MHSA) Manager sent a written comment and [handout](#) regarding the MHSA stakeholder process that was read by Karen Larsen.

“This afternoon marked the MHSA Stakeholder Meeting for the kick-off of the Community Planning Process for the new 3-year Program and Expenditure Plan for Fiscal Years 17-18, 18-19 and 19-20. The stakeholder meeting was well-attended and participants provided plenty of input. The first phase of community planning is to complete a needs assessment by gathering as much data and community input as possible in order to inform decisions with regard to the existing and future MHSA programs. The [handout](#) shows a list of focus groups to be held in the community, many of which have already been scheduled. In the next few days, this schedule will be finalized, distributed to stakeholders and posted on the MHSA web page. Also on the [handout](#) is a slide from RDA’s intro PowerPoint, with a graphic on the MHSA Planning Activities and Timeline. Our goal is to complete the planning, drafting, review and approval process by April of 2017, to allow for RFP and contracting processes to be completed by the beginning of the new fiscal year.

Next month, on October 24, RDA and MHSA Staff will hold a group for NAMI Members from 5:00 to 6:30, at the Community Room at 600 A Street--before the regularly scheduled LMHB meeting. Also, we are trying to schedule a focus group for Davis Consumers earlier that same afternoon (more information to come on this). At the October 24 LMHB meeting, RDA will be on the agenda to provide an up-to-the-minute report on the status of the MHSA community planning process.”

RE: RECOMMENDATION TO APPROVE 2016-17 MENTAL HEALTH BUDGET

Dear Chair Provenza,

LMHB recommends approval of the mental health-related budget as submitted to the Board of Supervisors.

The LMHB Budget and Finance Committee met on September 8, 2016 to discuss the proposed budget for next year. The committee was impressed with several new initiatives that have been proposed and/or initiated by Karen Larsen, HHS Director and Mental Health Director, Sandra Sigrist, HHS Adult and Aging Branch Director, and Connie Cessna-Smith, HHS Fiscal Administrative Officer.

For example, the embedded Nurse Navigator initiative will reduce disallowances based on improved training of community based organizations in proper documentation. A second initiative encourages vendors to bill Medi-Cal directly rather than HHS (more paperwork for vendors, but saves money for HHS).

Sincerely,

James C. Glica-Hernandez

Item 8. Mental Health Director's Report

Yolo County Health and Human Services Agency

BEHAVIORAL HEALTH SERVICES

Local Mental Health Board Mental Health Director's Report October 24, 2016

Public Guardian

Our workgroup continues to meet to discuss the Public Guardian/Public Administrator transition. The Public Guardian's office has hired extra help staff to assist with services and discussions regarding cases will begin shortly. This item will be returning to the Board of Supervisors on October 25.

Budget

As discussed at last month's LMHB meeting, we have undertaken several initiatives to assist with a \$3 million structural deficit in behavioral health. One of these includes adding staff to billing to re-submit denials. This group has already billed more than \$500,000 that wouldn't have been billed otherwise. Additionally, we have dramatically increased staffing in our quality management team to ensure that our charts are audit ready, thus avoiding giving back money for services provided. On the direct service side we will be purchasing beds from Safe Harbor and a nearby Psychiatric Health Facility (PHF) in an effort to reduce our inpatient utilization. Finally, we will be identifying staff to assist clients in stepping down from Institutions for Mental Diseases (IMD) and ensuring that they have adequate supports upon returning to the community.

MHSA Housing

Yolo County's application, associated with the Mental Health Services Act (MHSA) Housing, for the 9% tax credit was officially approved this month. This means that we will be breaking ground on the site within 180 days.

MHSA 3 Year Plan

The planning process for our next 3 year Mental Health Services Act (MHSA) plan has officially kicked off. RDA will be providing a session with LMHB specifically.

Continuum of Care Reform

As previously discussed, effective January 1, counties must have a mechanism for providing mental health services to all foster youth. Our internal team has been meeting and planning for this addition. We have embedded mental health clinicians and case managers on the child welfare teams to assist with this transition.

Stepping Up Initiative

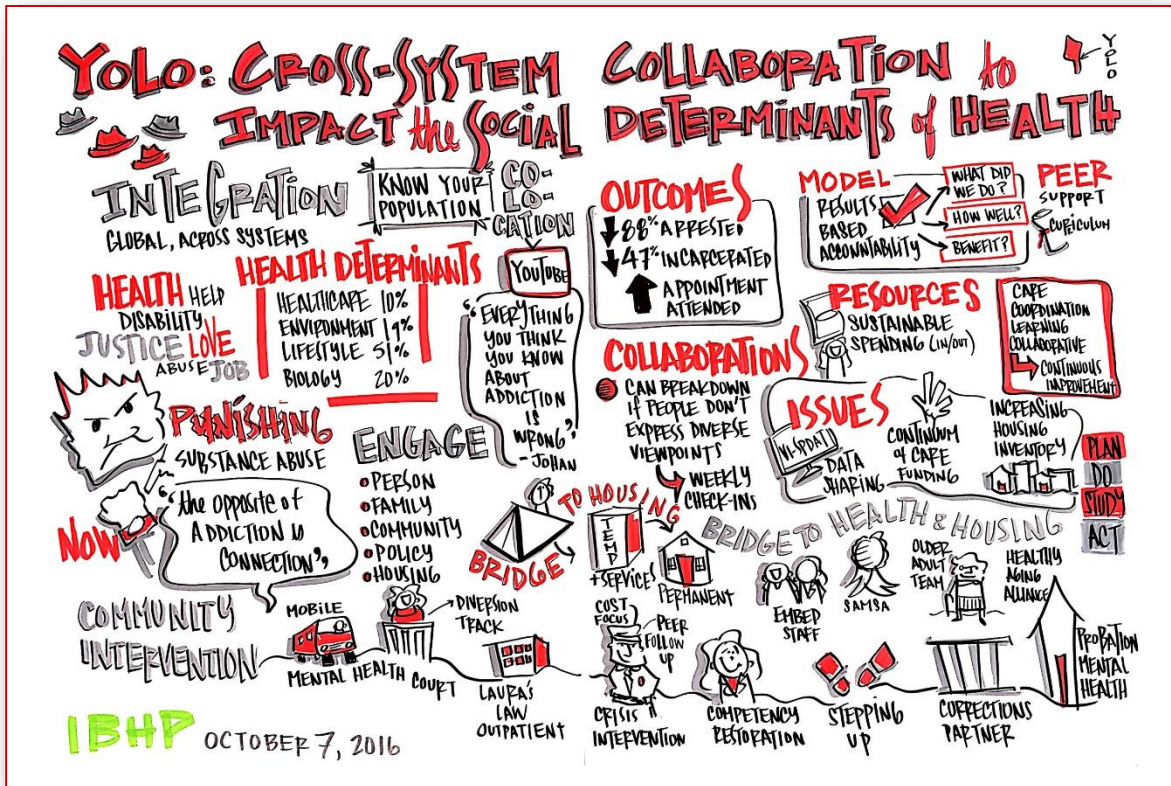

Our County workgroup continues to meet regarding the strategic plan goal of "Creating a Continuum of Care from Prevention through Intensive Services." The focus of our most recent meeting was around creating sub-committees around each of the intercepts in the Stepping Up framework. Mashan Wolfe from the Sheriff's department was selected to attend the Leadership Conference associated with Stepping Up and there will be a California Stepping Up summit in the spring that many of us will attend.

Mental Health Wellness Center

A contractor has been selected through a bid process for the Mental Health Wellness Center at Bauer. The contract will be before the Board of Supervisors October 25.

The Fourth Annual Innovations Summit on Integrated Care

On October 7, Karen Larsen, Sandra Sigrist, and Julie Freitas presented at the Fourth Annual Innovations Summit on Integrated Care conference. Below is the visual representation that was created during our presentation.

An Evening of Inspiration and Hope

On October 3, Yolo Community Care Continuum (YCCC) hosted their inaugural gala dinner and auction and honored Mayor-elect and former State Senate President pro Tem Darrell Steinberg. The event was well attended and raised funds for YCCC’s services. See snapshots of the event on the following page.
