

**Yolo County Health and Human Services Agency  
Mental Health Services Act (MHSA) Staff invites you to attend**

# **MHSA Community Planning Process**

## **INNOVATION WORK GROUP**

### *Developing Board and Care Facilities in Yolo County*

Yolo County continues to experience an extreme shortage of Board and Care Facilities, especially those willing to house individuals with Serious Mental Illnesses (SMI). As a result, many of our most seriously ill clients are forced to live in Board and Care facilities in Sacramento County and surrounding areas.

Yolo County is currently in the process of community planning for the *MHSA Three-Year Program and Expenditure Plan for FYs 2017-2020*. For the Innovation Component of the MHSA Plan, work group participants will develop an innovative strategy promoting best practices and quality care, while encouraging more facility operators who serve individuals with psychiatric disabilities to locate Board and Care residences in Yolo County,

Consultants from Resource Development and Associates (RDA) will facilitate this initial discussion. From this and future MHSA Innovation Work Group meetings, we hope to develop a promising MHSA Innovation Plan that will help alleviate the shortage of quality Board and Care residential opportunities for our clients.

**PLEASE JOIN US FOR THIS IMPORTANT MEETING.**

**Wednesday November 2, 2016  
9:30 a.m. - 11:00 a.m.**

**Gonzales Building, Clarksburg Conference Room  
25 N. Cottonwood St. Woodland, CA**
