West Sacramento Library Offers Free Hearing Screenings and Phones

(Woodland, CA) – In partnership with California Telephone Access Program (CTAP) the Arthur F. Turner Community Library is providing a two part workshop offering eligible Californians specialized phones and hearing screenings for free.

As part of the Deaf and Disabled Telecommunications Program (DDTP), CTAP provides individuals who have difficulty using telephones with assistive telecommunications equipment and works with local partners to spread the word.

The following workshops will have English, Russian and Spanish language support and be held at the Arthur F. Turner Community Library, located at 1212 Merkley Avenue in West Sacramento:

- **November 15 from 1:00 p.m. to 2:00 p.m.** A CTAP expert will present and demonstrate the available phones and explain this state-funded program.
- **December 5 from 1:00 p.m. to 3:00 p.m.** After a free hearing screening provided by Deborah R. Powell M.S., from University Audiologic Associates, eligible participants will receive their free phone the same day.

There is no obligation, cost, age or income requirement and it is recommended (though not mandatory) that participants attend both events to receive their free phone. For more information about these events call (English) 1-800-806-1191, (Spanish) 1-800-949-5650, (Russian) 1-855-546-7500, email: info@CaliforniaPhones.org or visit: www.CaliforniaPhones.org. For additional assistance contact Marina Zangeneh-Lester at (916) 265-0025 or mlester@ddtp.org. For more information on the Yolo County Library visit www.yolocountylibrary.org or connect with the Library on Facebook at: www.facebook.com/yolocountylibrary.org.
