## **Free Gardening and Nutrition Class November 30**

**(Woodland, CA)** – The Hanna & Herbert Bauer Memorial Community Garden is hosting a free gardening class entitled “The Magic of Soil” on Wednesday, November 30 from 12:00 p.m. to 1:15 p.m.

This class will cover topics such as the benefits of composting and using cover crop to improve soil fertility, and the role that healthy soil plays in developing the nutritional qualities of produce. There will be discussion about “eating the rainbow” of fruits and vegetables for better health, and some demonstrations of techniques to boost soil health during the winter months in preparation for the spring/summer growing season.

The class is free to all but pre-registration is required by November 29. To register, contact David Linebarger at (530) 666-8429 or [david.linebarger@yolocounty.org](mailto:david.linebarger@yolocounty.org).
