MHSA Three-Year Program & Expenditure Plan 2017 – 2020: Youth/Young Adult Stakeholder Survey

Introduction

Welcome to the MHSA Youth/Young Adult Stakeholder Survey! The purpose of this survey is to hear from you about the mental health needs and services in Yolo County. The information you provide will help the Yolo County's Department Health & Human Services improve its services in order to meet the needs of its community members. All of the answers you provide will be confidential and the survey will take about 5 minutes to complete. We appreciate you taking the time to share your experience with us!

(In the questions below, <u>"Provider"</u> means: Doctor, psychiatrist, psychologist, therapist, counselor, case manager, practitioner or any professional that provides mental health services.)

1. The following questions are about your experience in getting mental health help:

Obtaining Services	Not at	A little	Mostly	Very	The Situation
	all true	bit true	true	true	Does Not Apply
I know where to go if I need mental health services.					
It is easy for me to schedule appointments.					
Mental health services are in an accessible location for me.					
It is easy for me to get to appointments.					
My mental health provider connects me with other					
services so I can get better.					
When things are difficult or I am experiencing an		0			
emergency, it is easy to get the care that I need.					

2. The following questions are about your experiences with receiving help:

Receiving Services	Not at all true	A little bit true	Mostly true	Very true	The Situation Does Not Apply
Providers respect and care about what I have to say.					
Providers respect my language and culture when providing me services.	٥				
Providers make me feel included in my mental health recovery process.					

3. The following questions are about your experiences with mental health recovery:

Recovery and Outcomes	Not at all true	A little bit true	Mostly true	Very true	The Situation Does Not Apply
The mental health services provided are meeting my needs.					
The services I receive are helping me to get better.
