## **County Road 99W Between CR 88 and CR 1 Closing for Bridge Replacement**

(Woodland, CA) – Due to bridge removal and replacement over Buckeye Creek, County Road (CR) 99W from CR 88 to CR 1 (north of Dunnigan) will be closed to through traffic from June 9 and until December. Detour signs will direct motorists to alternate routes.

Access to properties along the closed section of the road will be provided at all times. This project will replace the existing structurally deficient bridge.

Construction costs are approximately \$2,520,000 and will be funded with federal Highway Bridge Program funds. The low bid contractor is Viking Construction, from Rancho Cordova, California.
