## **Yolo County Library Provides Flipster® eMagazines**

(Woodland, CA) – In addition to an extensive collection of free eBooks and eAudiobooks, Yolo County Library will soon be offering free eMagazines to all library patrons. Starting on August 1, 2017, Yolo County Library card holders will have access to eMagazines such as People, Food Network, The Atlantic, Rolling Stone, Sports Illustrated, Car & Driver, Oprah and more.

Individuals can simply install the free Flipster® app and enter their Yolo County Library card number to download magazines to smart phones and tablets for offline reading anytime, anywhere. Flipster® may also be accessed on any computer using the link on the Yolo County Library website.

Digital magazines provide easy access to a variety of entertainment and information. Flipster® users can browse the magazines by category as well as perform searches for specific titles and previous issues. The table of contents for each issue contains links for quick access to articles of interest. Flipster® also has a zoom option for content accessibility.

“We are excited about adding this new e-resource for our customers, who will now have quick, fingertip access to some of their favorite magazines,” said Chris Crist, Interim Yolo County Librarian.

For additional information about the free Flipster® service or how to get a library card, please contact staff at any of the Yolo County Library branches.
