RE: Dunnigan County Service Area 1994-95
Report of Service Charges

DATE: June 21, 1994

RECOMMENDED ACTION:

1. Accept the attached written report of the amount of charges for each parcel receiving lighting services in the Dunnigan County Service Area (CSA #11).
2. File the Report with the Clerk of the Board of Supervisors.
3. Fix July 19, 1994, at 10:30 A.M. in the Board Chambers as the date, time and place for hearing and filing objections or protests thereto.
4. Instruct the Clerk to publish Notice of such hearing pursuant to Section 6066 of the Government Code.
5. At the conclusion of the Public Hearing, if there are no protests filed, or any objections are overridden, adopt the attached Resolution confirming service charges.
6. Instruct the Clerk to forward a certified copy of the Resolution to the Auditor-Controller and the Treasurer-Tax Collector.

REASON FOR RECOMMENDED ACTION:

Section 25210.77a of the Government Code requires an annual written report be filed with the Clerk of the Board of Supervisors describing each parcel of property receiving a particular extended service and the charge for the service. The charge is computed in conformity with Chapter 15 of Title 3 of the Yolo County Code.

BACKGROUND:

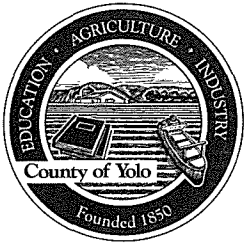

The Dunnigan County Service Area was formed January 8, 1991, by Resolution 91-7 to provide street lighting services. In Fiscal year 1991/92 thirty five street lights were installed by PG&E at locations mutually agreed upon at its field review with the Dunnigan CSA Advisory Committee. All lights are in operation and the monthly PG&E billing is \$284.22. At its meeting of April 22, 1994, the Advisory Committee approved the recommended parcel charge of \$19.00 for each of the 285 parcels for Fiscal Year 1994-95. This is the same as the fee established for Fiscal Year 1993-94. The Dunnigan CSA has a general reserve account of about \$2800 for future unanticipated expenses.

BUDGET IMPACTS:

The total cost of engineering, administration, and street lighting services is estimated to be \$5,060 in Fiscal Year 1994-95. Revenue from the \$19 parcel charge should be \$5,415. Fund No. 491 has been set up for CSA No. 11. There is no net impact on any other fund.

OTHER AGENCY INVOLVEMENTS:

Pacific Gas and Electric Company installs, maintains, and operates the street lights. The County Treasure-Tax Collector and the Auditor-Controller will be involved in the administration of the CSA. All will be reimbursed for their involvements.
