- **CIP Update:** Due to changes in funding, HHSA will be meeting with law enforcement, first responders, hospitals, and City Managers to discuss what has gone well and what could be changed. HHSA will continue to look at alternative funding to continue the program after December. Once an updated plan has been developed, it is likely that an RFP will be issued. There seems to be a disconnect in the volume of calls and the need.
- June Forbes brought forward a concern with admittance to Safe Harbor during the weekends. It may be a lingering perception but Karen will look into.

#### 3. PSWG PURPOSE & FORMAT DISCUSSION

- Due to time, this item will be moved to the November meeting.
