Other Discussions

Member Questions

Roberta Childers asked about the status of the Draft Waste Stream Agreement between the county and the cities. Linda Sinderson replied that it is still on hold but she hopes to revisit the discussion in January. A primary incentive for the cities to enter into such an agreement would be lower tipping fees. Cities are also working to set up new fees and would like to base them on a pricing structure afforded by a waste stream agreement.

Meeting Adjournment

Roberta Childers motioned to adjourn the meeting at 4:10 p.m., seconded by Larry Fisher.

Next Meeting

The next meeting of the Yolo County Waste Advisory Committee is scheduled for January 28, 2016 at 3:30 p.m. in the Conference Room of the Yolo County Central Landfill.
