  - **Physical & Behavioral Health**
  - **Self-Sufficiency.**

## Performance Measure Objectives

<b>1. How much did we do?</b>
<ul style="list-style-type: none"> <li>• 150 people will be contacted and assessed during outreach each year</li> <li>• 75 people will be provided with case management and treatment each year</li> <li>• 200 people will be provided with civil legal education and/or services each year</li> <li>• 30 people will be provided with rapid re-housing assistance each year</li> </ul>
<b>2. How well did we do?</b>
<ul style="list-style-type: none"> <li>• 90% of potential project participants will have an assessment completed (ORAS, LOCUS, ASAM, ANSA and/or VI-SPDAT as appropriate) within 30 days of initial engagement</li> <li>• 50% of individuals who are contacted through outreach and determined to be eligible for the program will choose to voluntarily participate</li> <li>• 90% of project participants will be engaged in case management and treatment services within 30 days of enrollment in the project</li> <li>• Demographic makeup of project participants will be comparable to demographic makeup of overall arrestee population in Yolo County (approximately 47% white, 34% Hispanic or Latino, 3% Asian, 3% Other/Multiple Races, 13% Black)</li> </ul>
<b>3. Is anyone better off?</b>
<b><i>Criminal Justice Involvement</i></b>
<ul style="list-style-type: none"> <li>• 75% of participants will not recidivate while engaged with the program</li> <li>• 75% of participants will not recidivate within 12 months of graduating the program</li> <li>• 50% fewer days in jail for participants while in the program</li> <li>• 50% fewer arrests/tickets for participants while in the program</li> </ul>
<b><i>Housing Stability</i></b>
<ul style="list-style-type: none"> <li>• 70% of participants will secure and/or maintain permanent housing</li> <li>• 80% of participants who secure permanent housing will remain housed at 6 months</li> </ul>
<b><i>Physical and Behavioral Health</i></b>
<ul style="list-style-type: none"> <li>• 50% fewer emergency care visits while in the program, as compared to year prior to enrollment</li> <li>• 75% fewer days in psychiatric hospitalization while in the program, as compared to year prior to enrollment</li> </ul>
<b><i>Self-Sufficiency</i></b>
<ul style="list-style-type: none"> <li>• 60% of participants will secure monthly income (employment or permanent benefit)</li> <li>• 90% of those eligible will enroll in CalFresh</li> <li>• 100% of those eligible will enroll in health insurance</li> </ul>
