Members of the Yolo Local Agency Formation Commission

From: Elizabeth Castro Kemper, Executive Officer

Subject: Consider adoption of a policy related to expenditures for political purposes related to boundary changes and conducting authority stage of the LAFCO process

Recommended Action

Adopt the recommended policy relating to reporting requirements for expenditures related to proposals for a change of organization or reorganization and contributions in support of or in opposition to any proposal at the conducting authority stage of the LAFCO process and include the new policy as Chapter VIII of the Yolo LAFCO Rules.

Fiscal Impact

None, this is strictly a reporting mechanism relating to specific actions before the Commission.

Reason for Recommended Action

Effective January 1, 2008, state law required reporting of expenditures for political purposes related to a proposal for a change of organization or reorganization and contributions in support of or in opposition to any proposal at the conducting authority stage of the LAFCO. The recommended policy would address how those involved in these activities would report such expenditures.

Background

Pursuant to Government Code Sections 56700.1 and 57009, effective January 1, 2008, expenditures for political purposes related to a proposal for a change of organization or reorganization and contributions in support of or in opposition to any proposal at the conducting authority stage of the LAFCO process are subject to the reporting and disclosure to the same extent as required for local initiative measures under the Political Reform Act, Government Code Section 81000 et seq., and the regulations of the Fair Political Practices Commission implementing that law.

The attached draft policy outlines the steps that must be completed and in which circumstances they apply as outlined by state law. Also the policy would have the Yolo LAFCO office as the filing location of such reports. This draft is an attempt to keep the reporting and application process as straight-forward and clear as possible.

This policy is recommended to be made a part of the existing rules of the Yolo LAFCO and included as Chapter VIII.

Pursuant to Government Code Sections 56700.1 and 57009, effective January 1, 2008, expenditures for political purposes related to a proposal for a change of organization or reorganization and contributions in support of or in opposition to any proposal at the conducting authority stage of the LAFCO process are subject to the reporting and disclosure to the same extent as required for local initiative measures under the Political Reform Act, Government Code Section 81000 et seq., and the regulations of the Fair Political Practices Commission implementing that law.

The Yolo LAFCO adopts the following reporting and disclosure requirements to implement Government Code Sections 56700.1 and 57009.
