2023 Intergovernmental Advocacy Policy *Adopted January 24, 2023*

The 2023 Intergovernmental Advocacy Policy serves as a comprehensive platform for Yolo County's advocacy efforts, encompassing the County's values and goals. The advocacy policy is divided into the following federal and state departmental categories:

- County Administrator's Office
- Agriculture
- Assessor-Clerk Recorder-Elections
- Community Services
- Emergency Services
- Health & Human Services
- Law & Justice
- Libraries
- Child Support Services
- Innovation and Technology Services

From these categories, examples of specific policy objectives are identified; the objectives provide context to the County's platform. The objectives are directly linked to the goals of the County's 2020-2025 Strategic Plan as summarized below:

1. Thriving Residents
2. Safe Communities
3. Sustainable Environment
4. Flourishing Agriculture
5. Robust Economy

COUNTY ADMINISTRATOR'S OFFICE

Federal

- Collaborate to ensure major flood and habitat projects in the Yolo Bypass proceed in an integrated fashion that avoids/minimizes impacts on agriculture, flood protection, and terrestrial species habitat, including migrating waterfowl, as well as secure full mitigation for any unavoidable impacts and oppose legislation that could harm the balance of agriculture and habitat in the Yolo Bypass (Sustainable Environment, Flourishing Agriculture, Robust Economy)
- Seek modifications to the Federal Emergency Management Agency standards for non-residential structures (Safe Communities)
- Support actions which work to promote the health and safety of residents, without regard to immigration status (Thriving Residents)
- Support actions to ensure sensible Federal Immigration policies that uphold the U.S. Constitution and protect the people and economy of Yolo County (Thriving Residents)
- Oppose actions that that may be harmful to families or children or that interfere with a person's right to pursue asylum in the United States or that result in a denial of due process of law to any immigrant (Safe Communities, Thriving Residents)
- Support legislation that seeks to preserve open space and our environment, prevents and mitigate the effects of climate change, and furthers environmental justice (Sustainable Environment, Thriving Residents, Flourishing Agriculture)

State

- Continue to maintain a strong presence in the Central Valley Flood Protection Plan, Regional Flood Management Plan, and Yolo Bypass Partnership (Safe Communities, Sustainable Environment, Flourishing Agriculture)
- Secure funding for levee improvement and related flood control projects (Safe Communities)
- Support the development and implementation of the Yolo Bypass Cache Slough Partnership and other multi-benefit projects that seek to integrate flood management, conservation, water quality, water supply and agricultural sustainability efforts into a locally supportable plan that reduces reliance on the Delta and oppose legislation that could harm the balance

of agriculture and habitat in the Yolo Bypass (Safe Communities, Sustainable Environment, Flourishing Agriculture)

- Secure funding for local participation in Delta and flood management policy discussions and funding for projects that provide benefits to County priorities in the Delta and Yolo Bypass (Safe Communities, Sustainable Environment, Flourishing Agriculture)
- Oppose unfunded mandates or other legislation which limits the County's ability to efficiently deliver services and support legislation which streamlines state-local interaction and strengthens the ability of counties to self-govern (Thriving Residents, Safe Communities)
- Pursue and support legislation which corrects property tax inequality (Thriving Residents, Safe Communities)
- Seek legal resources to support Yolo County residents with immigration issues (Thriving Residents)
- Support actions which ensure family unity, community security, respect, due process and support for all residents including immigrants and international visitors (Safe Communities, Thriving Residents)
- Continue to identify resources to support access to critical services, due process, and just laws for all residents, without regard to immigration status (Safe Communities, Thriving Residents)
- Identify resources to support Yolo County's commitment to be a safe, tolerant, and welcoming place (Safe Communities, Thriving Residents)
- Support legislation that promotes inclusive and environmentally sustainable economic development, particularly for agribusiness and rural communities (Robust Economy)
- Support legislation that would allow for the bifurcation of County and Superior Court pension obligation for CalPERS participating counties (Operational Excellence)
- Support legislation that seeks to preserve open space and our environment, prevents and mitigates the effects of climate change, and furthers environmental justice (Sustainable Environment, Thriving Residents, Flourishing Agriculture)
- Support or sponsor legislation that allows for greater flexibility of remote public meetings of legislative bodies including advisory commissions including legislation that would

empower a Board of Supervisors to permit an advisory commission to meet electronically (Thriving Residents)

- Support drought relief legislation including funding to improve the resiliency of water systems and incentivizing agricultural groundwater conservation and the removal of water-intensive ornamental landscaping (Sustainable Environment, Thriving Residents)
- Support legislation that seeks to balance transparency and the administrative burden of responding to California Public Records Act requests, particularly for digital records (Operational Excellence)
- Support legislation that would provide new sustainable funding for local First 5 organizations to offset declining tobacco tax revenues (Thriving Residents)
- Support legislation that promotes solutions to the housing crisis, including ongoing sustainable funding for affordable housing and related infrastructure (Thriving Residents)

AGRICULTURE

Federal

- Support full or increased funding for Farm Bill postal inspection dog team program. (Sustainable Environment, Flourishing Agriculture)
- Support efforts to fund federal disaster funding for perennial crops reimbursement (Flourishing Agriculture)

State

- Support state funding for Williamson Act subvention payments, agricultural land conservation easements, agricultural and habitat impact mitigation, and other incentives to keep land in agriculture and open space (Sustainable Environment, Flourishing Agriculture)
- Support the funding of Rural Urban Connection Strategy (RUCS) infrastructure projects, “Farm-to-Fork”, and other similar initiatives which would assist agribusiness in marketing and selling its goods in the local market (Sustainable Environment, Flourishing Agriculture)

ASSESSOR-CLERK RECORDER-ELECTIONS

State

- Support legislation to address ambiguity in Williamson Act reporting and compliance policies (Flourishing Agriculture)

CHILD SUPPORT SERVICES

Federal and State

- Support legislation, budgetary, or administrative actions to adequately fund the child support program, allowing the program to reach unserved and underserved families. (Thriving Residents)
- Support legislation that removes barriers to access the child support program; increases or eases access to justice; eases operational and administrative burdens; and increases distribution of child support collections directly to families. (Thriving Residents)
- Preserve the ability of local agencies to maintain local control of the Child Support Program. (Thriving Residents)
- Support legislation that improves the effectiveness of the child support program in establishing, enforcing, and collecting child support orders and expanding information sharing between agencies (Thriving Residents)

COMMUNITY SERVICES

Federal

- Work with state and federal partners to evaluate National Environmental Protection Act exemption list, particularly regarding exemptions for air quality review of roundabouts in rural areas. (Safe Communities, Sustainable Environment)

State

- Support additional funding for local roads and infrastructure improvements including the development and implementation of a countywide Capital Improvement Project (CIP) with a self-contained funding plan in concert with other local jurisdictions (Safe Communities)

- Support the ongoing viability of community choice energy programs in California and explore the formation of a publicly owned electrical utility in Yolo County (Safe Communities, Sustainable Environment)
- Pro-actively analyze cannabis and hemp-related policy proposals or legislation to ensure consistency with Yolo County's program and land use process (Thriving Residents, Safe Communities Flourishing Agriculture)

EMERGENCY SERVICES

Federal

- Request dedicated funding for emergency response and repairs on levee systems as part of Yolo Bypass widening project (Safe Communities, Sustainable Environment)
- Support changes to current FEMA and CalOES recovery procedures as these are costly and cumbersome for locals to follow and excessive staff time is currently needed to produce documentation and make trips to disaster sites (Thriving Residents, Safe Communities)
- Support making excess funds from Emergency Management grants available to jurisdictions that can spend them at the end of annual grant cycles (Thriving Residents, Safe Communities)
- Support legislation that would increase funding for OES and enhance the County's ability to plan and prepare for emergency response (Thriving Residents, Safe Communities)

State

- Request funding from CalTrans to assist in SR-128 Fire Mitigation projects and evaluate potential shoulder widening (Safe Communities)
- Oppose funding cuts to Emergency Management Performance Grants, Homeland Security Grants, and Mitigation Grants. Cuts to these funding sources will either lead to a weaker Emergency Management System or a larger cost share for local jurisdictions (Thriving Residents, Safe Communities)
- Support legislation and/or funding to enhance rural fire service sustainability (Safe Communities)
- Support a re-work of Government Code 8607 to standardize operational procedures under the Standardized Emergency Management System for all levels of government (Thriving Residents, Safe Communities)
- Support legislation and/or regulatory changes that enable greater enrollment in Mass Notification Alert systems. (Thriving Residents, Safe Communities)
