In compliance with the provisions of Section 2279 of the California Food and Agriculture Code, I am pleased to submit a report of the agricultural production of Yolo County for the calendar year of 1996. This report deals with the gross value of production and does not attempt to reflect net farm income nor costs of production and marketing. Also, due to rounding, yields and values may not total for the crops.

Data for the preparation of this report has been obtained from the producers, processors representatives of agribusiness and individuals with special knowledge in the field. Their assistance and cooperation is sincerely appreciated.

I would also like to express my appreciation to my staff for their dedication in the preparation of this report.

Respectfully submitted,

Raymond J. Perkins
