

# Yolo County CCP Environmental Scan Update

---

# Revisions – Programs

---

- ❖ Changed Neighborhood Court language to include explanations from DA. **(P. 5, 16, 26)**
- ❖ Changed the data and language for the Public Defender Social Worker Program to show outcomes. **(P. 5, 18, 30)**
- ❖ Included data from some HHSA treatment programs. **(P. 5, 13, 18, 27-28)**

# Revisions – Format and Language

---

- ❖ Added in sources after every use of evidence throughout report.
- ❖ Changed section title language to be more specific. **(P. 3-4, 10-11)**
- ❖ Qualified the term recidivism as used by state (quoted the CDCR's definition), and rewrote language comparing Yolo County's definition to CDCR's definition. **(P. 3, 6, 10, 19)**
- ❖ Put in brief description for realignment and Prop 47 in the executive summary for context for readers. **(P. 3)**

# Revisions – Format and Language (Continued)

---

- ❖ Changed language for criminogenic needs and added in language describing risk/ needs from literature review. Did not change from criminogenic needs to risk assessment since it is a more narrow measure. **(P. 9)**
- ❖ Changed language for the mental health booking data to better reflect the meaning of the data. **(P. 12, 22, 25)**
- ❖ Changed language for the BSCC “Assault on Staff” data to more accurately reflect what the data means. **(P. 24)**
- ❖ Relabeled the “Selected County Crime Stats” as Unincorporated Yolo County. **(P. 25)**

# Revisions - Data

---

- ❖ Replaced PPIC data with FBI UCR data for the California crime offense statistics. **(P. 4, 6, 10, 19, 24)**
- ❖ Replaced the BSCC data about court mandated capacity releases with Yolo County Sheriff data. Also wrote additional language to explain the nature of capacity releases for the county jail. **(P. 5, 14, 31-32)**
- ❖ Included AB 109 population in the average daily population graph, and checked against Yolo County Sheriff population data. **(P. 11, 14, 23)**
- ❖ Put data point values in all graphs (if feasible for visibility).

# Revisions In-Progress

---

- ❖ Checking up on Cite and Release data.
- ❖ Checking up on Prop 47 misdemeanors vs. non-Prop 47 misdemeanors.
- ❖ Include more data from AB 109 treatment programs.
- ❖ Include more in-depth information about the jail population from the Yolo County Jail Survey.
