

Access to Services for “0-5” Group Roadmap Exercise

Assessing the Problem

Access to Services for “0-5” Group Roadmap Exercise

Assessing the Problem

Road Map Instructions

REFLECT

5 MIN

- Take 5 minutes to complete the *Access to Services Roadmap* individually (other side of this sheet)
- Reflect on the group discussion as well as the guiding questions below in this process

THEME

10 MIN

- Share 2-3 highlights from your individual ‘roadmap’ with the other people at your table or colleagues
- Work together to group common themes and create a ‘roadmap’ that represents your table to be shared with the larger group

DISCUSS

15 MIN

- Facilitators will lead a guided discussion during which small groups will report back to the larger group

Guiding Questions

1. What are the overarching issues that this group faces regarding a **lack of services** or **lack of access**? **CONTEXT.**
2. What **BARRIERS/CHALLENGES** stand in the way of implementing a plan to address access to these services?
3. Which populations are currently not being reached at all or not reached effectively? **BARRIERS/CHALLENGES**
4. What innovative strategies have you used to reach these populations in similar programs? **STRENGTHS**
5. What local agencies or partnerships (CBO, governmental, private) could your organization leverage to address the lack of access for this group? **STRENGTHS/OPPORTUNITIES**
6. What types of resources/assistance could Yolo County HHSA provide to support you in your work? **OPPORTUNITIES**
