 - a. Presentation on the Green Waste/Organics Program

PEEL's Group from UC Davis and Marissa Juehler from the County presented on work planned to survey community about potential green waste program pilot in Clarksburg

Committee expressed strong interest in the program and obtaining feedback from Community

The County noted that 152 homes in town could be serviced by the green waste program and that the County would be willing to provide organics bin and liners.

Next steps – PEEL's group will send mail survey to community in January to gauge community interest. They would share the data collected in with the County in February. County to return to provide results of the data collected.
