CAR SEAT SAFETY CHECK

SEPT 28TH 4-6PM

SUTTER HEALTH DAVIS

CHILD PASSENGER SAFETY WEEK IS SEPTEMBER 23-29, 2018

Car crashes are a leading cause of death for children ages 1-13. Many times, deaths and injuries can be prevented by proper use of car seats, boosters and seat belts. **The Yolo County Car Seat Safety Program has partnered with Sutter Davis Hospital, CommuniCare Health Centers and AAA Insurance to provide car seat inspections on Friday, Sept. 28th from 4pm-6pm in the Sutter Health parking lot located at 2000 Sutter Place, Davis, CA.**

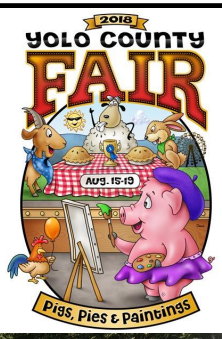

Parents and caregivers in Yolo County can ask questions and receive hands-on instruction from Certified Child Passenger Safety Technicians on how to choose the right car seat for a child's age and size, how to correctly install the seat in their vehicle, and how to use that seat correctly every time. They will also discuss the importance of registering car seats in case of a recall.

CAR SEAT RECYCLING

Did you know that Yolo County Car Seat program recycles car seats? This program takes car seats that are used, outgrown, unwanted, expired and/or in a car crash and recycles them. They cut straps and remove the padding. There are drop-off locations in Davis, Winters, Woodland, and West Sacramento.

THANK YOU TO MEMBERS OF THE YOLO COUNTY FNL YOUTH COUNCIL FOR HELPING RECYCLE CAR SEATS IN THE MONTH OF AUGUST! For more information, please call 530-666-8715. **Please recycle your car seat today!!!**

2018 YOLO COUNTY FAIR IS A SMOKE-FREE & VAPE-FREE EVENT!

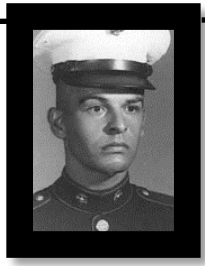

In 2004, the Yolo County Fair became the first smoke-free fair in California. In August 2018, Yolo County Friday Night Live Youth Council (YCFNLYC) members helped remind fair attendants of this policy by hanging up "smoke-free" fair signs.

The mission of YCFNLYC is to empower youth to establish a safe and strong community, advocating for a drug free lifestyle!

RED RIBBON WEEK

OCTOBER 23rd - OCTOBER 31st, 2018

Red Ribbon Week is a time when individuals, community groups, governments and businesses commit to creating a healthy, drug-free future for America. Red Ribbon Week originated in 1985 when Federal Agent, Enrique Camarena, lost his life in the fight against drugs. Mr. Camarena's death touched the nation deeply. People felt his sacrifice should not be forgotten. As a result, the red ribbon became a symbol to reduce the demand for drugs. The Red Ribbon celebration gives people the opportunity to demonstrate that they are against the use of illegal drugs and the illegal use of legal drugs. Red Ribbon Week is observed in California to raise awareness of the negative effects of alcohol and other dangerous or illegal drugs. **Red Ribbon Week will be celebrated during the week of October 23rd - 31st, 2018. If you would like a Red Ribbon to wear in support of Red Ribbon Week, please call the Friday Night Live Office at 530-666-8715 or 530-666-8747.**
