

# YOLO COUNTY ORAL HEALTH PROGRAM

---

July 25, 2018

Rebecca Tryon & Ana Enriquez

# WHO WORKS IN YOUR PROGRAM?

Rebecca Tryon

Ana Enriquez

Dr. Chapman

# WHO DO YOU SERVE AND HOW?

- **Children Ages 0-5**

- Education campaigns to promote early entry into dental services
- Collaborating with ECE/Pre-Schools for dental screenings
- Collaborating with partners: WIC/MCAH, etc. to promote messages/screenings

- **Elementary School Youth**

- Coordinating dental screenings at schools
- Providing sealants/flouride for application at schools
- Data collection on rate of decay found in screenings
- In class education about dental care, preventative measures

- **Yolo County Communities**

- Educating dental providers on preventative care messages
- Community water flouridation
- Increasing access to dental care for Denti-cal recipients
- Encouraging utilization of dental services/insurance

# WHO ARE YOUR KEY PARTNERS?

## **INTERNAL** (within HHSA)

- ❖ WE ARE NEW, SO ALL THAT ARE LISTED ON THE PREVIOUS SLIDE!

# HOW MY PROGRAM FITS INTO THE AGENCY STRATEGIC PLAN:

## AGENCY GOALS:

**GOAL 1** **Improve Outcomes for Clients and the Community**

- Encourage behaviors that improve dental health (the mouth IS part of the body!)
- Reduce ED visits/dental caries in kids, dental recipients, and the community

**GOAL 2** **Ensure Fiscal Health**

- Prop 56 funds- 5 year grant
- \$201K/year

**GOAL 3** **Strengthen Health & Human Services Agency Integration**

- Collaborate with internal partners in CH branch and other branches to improve preventative care/screenings/sealants & varnish for kids

**GOAL 4** **Make Data-Informed Decisions and Create a Culture of Quality**

- Surveillance data on rate of caries/dental visits
- Performance measures forthcoming

# HOW MY PROGRAM FITS INTO THE BRANCH STRATEGIC PLAN:
