## Yolo County

**Saturday, September 29, 2018 10 am - 3 pm**  
**Esparto Regional Branch, Yolo County Library**  
**17065 Yolo Ave, Esparto, CA**

The 2017-18 fires wrote a new chapter in the lives of millions of California residents. The scope, spread and fierceness of the fires for the residents of Yolo county have sharpened our attention to the need to be and stay aware of ways to prepare for, and respond to, the threat of wildfires and other disasters that will surely come in the years to come.

We invite you to come and share a 30 minute reflection and stories about your experience of the fires last year, or in years before. You can come to be interviewed or bring a friend, family member or colleague to have a conversation about your experiences and the lessons learned from these events. The interviews will be conducted using the Listening Station recording kit developed by StoryCenter organization based in Berkeley. Library staff and StoryCenter representatives will assist. Your recording will be stored as part of the California State Library collection. <https://archive.org/details/storycenter>.
