Free Computer 102 Class at the West Sacramento Library

(Woodland, CA) – Due to high interest for the class offered in December, a second basic computer class for adults will be offered at the Arthur F. Turner Community Library at 1212 Merkley Avenue in West Sacramento on January 16 from 9:00 a.m. to 11:00 a.m. Doors will open before regular library hours at 8:30 a.m. and the class will start at 9:00 a.m. in the computer area.

This free class offers participants a basic introduction to the Microsoft Office software, including Microsoft Word, Excel, and PowerPoint. Instruction will cover what the programs are used for as well as time to practice. The class will be held before the library opens to give students a more relaxed environment to practice. Computers will be provided.

Registration is required by January 14 as space is limited. Call (916) 375-6465, or visit the Arthur F. Turner Community Library, to register for the class. This computer class is sponsored by the West Sacramento Friends of the Library.

The Arthur F. Turner Library is accessible to persons with disabilities. For more information about events at the Arthur F. Turner Community Library, contact library staff at (916) 375-6465 or visit the Yolo County Library at: www.yolocountylibrary.org (see calendar for Arthur F. Turner Community Library-specific events).
