Each year, the state savings generated by the implementation of Proposition 47 are deposited into the Safe Neighborhoods and Schools Fund. Sixty-five percent of these savings are set aside annually for the BSCC to administer a competitive grant program.

Mr. Hoskins presented the Community Corrections Partnership Program Inventory and Budget Information via PowerPoint. Mr. Hoskins covered each section pages 2 – 23 and voting members suggested some of the following changes/additions to the outline.

- *Ian Evans of HHSa clarified that the \$222,461 amount listed on pages 17, 18, 19, and 20 is the same amount, each of those programs did not get \$222,461 of funding in FY17/18. Also, that the \$222,461 amount is what we invoiced back to Probation for anything we could not bill to Drug MediCal which is typically 50%.*
- *Mr. Hoskins covered the Program Budget Summary for FY 2017/2018. Explained “Fiscal Totals and Breakdown of Budget by Category.”*
- *Next, Mr. Hoskins covered the “Currently Unfunded Strategic Plan Objectives”. Public comment, “Why are treatment dollars not spent?” In question is the variance under treatment dollars of +168,808. Mr. Evans explained some probationers choose not to disclose they are in treatment. Also, folks do not have to sign the “disclosure form” since everyone is covered under privacy acts. And, lastly, probationers can ‘self-refer’ and they don’t have to disclose this information as well. Chief Fruchtenicht assured community members that we will continue to use our treatment dollars as treatment options unfold.*
- *Mr. Evans will work with all providers in the coming months to obtain data from each to incorporate into the CCP Data Dashboard update.*
- *CAO Blacklock covered the drug Med-Cal portion of the CCP budget. Per CAO Blacklock Tom Haynes with the Dept. of Finance will move forward with the numbers for the CCP Budget that he was covered today in your packet.*
- *Chief Fruchtenicht will move forward with the CCP fiscal year 2019-2020 given the direction of the group today. All members are in agreement that each department will present a 5-minute presentation at our March meeting, outlining their CCP funding and what is associated with the funding.*
