# SITE PLAN REVIEW APPLICATION REQUIREDMATERIALS

The following list specifies the information needed to submit the proposed application.

ITEM	Required Number of		
Application Fee(s): Please check with a planner regarding applicable fees	copies		
Application Form (both sides, signed)	One (original)		
Environmental / Project Site Questionnaire	One		
<b>Detailed description</b> of the proposed project including but not limited to number of employees, hours of operation, etc.	One		
Location Map (may be combined with the Site Plan, below)	Three		
Site Plan (see attached site plan sample and Site Plan Requirements)	Three		
<b>Building Elevations</b> (if required) (see attached Building Elevation Requirements)	Three		
One 8½ x 11 reduction of all maps, plans, etc.	One		
Photos (if applicable/required)	One		
Assessor's Parcel Map (project site outlined)	One		
Preliminary Title Report or Copy of Deed	One		
Digital files of all the application materials, as described above	One		
Additional Information: Depending upon the exact nature of the application, additional information may be required after submittal of the project application.

## **Required Signatures**

I hereby make application for the above-referenced land use entitlement and certify that this application, other documents, and exhibits submitted are true and correct to the best of my knowledge and belief. Should any information or representation submitted in connection with this application form be incorrect or untrue, I understand that Yolo County may rescind any approval or determination, or take other appropriate action.

I hereby acknowledge that I have been informed of my right to make written request to the County to receive notice of any proposal by the County to adopt or amend a general or specific plan, or a zoning ordinance or other ordinance affecting building or grading permits, prior to action on said item.

I also certify that I am the owner of the above property or have attached the owner's written consent to file this application. (Please attach a consent letter for each property owner if there is more than one. If owner refuses or is unable to sign, provide copy of lease, title report or other documentation.) I understand that verification of property ownership or interests in the property or application may be required.

### PERMIT PROCESSING FEE AGREEMENT

I the undersigned, hereby authorize the County of Yolo to process the permit request on the previous side of this application in accordance with the Yolo County Code. I (the land owner and/or the applicant) am depositing a fee to cover staff review, coordination and processing costs in accordance with the adopted Yolo County Fee Resolution. The fee may consist of a one-time "flat" fee for minor applications or a "deposit" fee which will be used as an initial deposit to open one or more Work Order accounts to pay for staff time spent processing the application billed on a "time and materials" basis. By signing below, I agree to pay all permitting costs, plus any accrued interest, if the applicant does not pay costs.

I agree not to alter the physical condition of the property during the processing of this application by removing trees, demolishing structures, altering streams, and grading or filling. I agree not to start construction of any new structures prior to permit approval. I understand that such alteration or new construction may result in the imposition of criminal, civil or administrative fines or penalties, or may result in the delay or denial of the project application.

FISH AND GAME REVIEW FEES: I understand that my application and/or any applicable environmental document for my project may be referred to the California Department of Fish and Wildlife (CDFW) for review and comment in accordance with the provisions of the California Environmental Quality Act. Should this review be required, I understand that I must pay all fees for the cost of CDFW review as required by Section 711.4 of the Fish and Game Code (currently \$2,354.75 for Negative Declarations or \$3,271.00 for Environmental Impact Reports, plus \$50.00 County Clerk fee). Should these fees be required, I agree to remit a cashier's check or money order in the required amount, payable to the Yolo County Clerk, to the Planning Division prior to the posting of any Notice of Determination following project approval.

MITIGATION FEES OR REQUIREMENTS: I further understand that my project, if approved, may be subject to one or more mitigation fees including the following fees current as of 2018:

Yolo HCP/NCCP land cover fee\*: \$12,592 per acre of impact to all applicable land cover types

Yolo HCP/NCCP fresh emergent wetland fee\*: \$71,651 per acre of impact to fresh emergent wetland areas

Yolo HCP/NCCP valley foothill riparian fee\*: \$79,353 per acre of impact to valley foothill riparian areas

Yolo HCP/NCCP lacustrine and riverine fee\*: \$57,464 per acre of impact to lacustrine or riverine areas

Agricultural mitigation in lieu fee: \$10,100 per acre of farmland converted (for projects less than 20 acres)

**Inclusionary Housing in lieu fee:** sliding scale for projects under 8/10 units (\$1,292 for single family house)

\*Fee amounts subject to change in March of each year per the conditions outlined in the Yolo HCP/NCCP

#### **AFFIDAVIT OF CERTIFIED PROPERTY OWNERS**

I further certify that the attached list of property owners contains the names and addresses of all persons to whom all property is assessed as they appear on the latest available assessment roll of the County within the area described on the attached application and for a distance of three hundred feet (300) from the exterior boundaries of the property described on the attached application.

I certify under penalty of perjury that the foregoing is true and correct.

## CERTIFICATION STATEMENT OF HAZARDOUS WASTE OR SUBSTANCE SITE

Pursuant to the requirements of Section 65962.5 of the California Government Code, I certify that the project site for the above entitlement is <u>not</u> located on the <u>State list of identified hazardous waste/or hazardous substance sites.</u>

## **REQUIRED SIGNATURES**

I hereby certify that I have read all the above information on this page. All this information is correct and I agr to abide by the requirements therein.	ree

# SITE PLAN REVIEW REQUIREMENTS

According to Section 8-2.215 of the County Code, the following are the process and requirements for issuance of a Site Plan Review permit.

#### Sec. 8-2.215 Site Plan Review

- (a) The purpose of the Site Plan Review approval process is to determine compliance between a morecomplicated development project seeking a building or related permit, not subject to discretionary review, with the provisions of this Code and the Yolo County General Plan. A Site Plan Review is triggered by a development application or use that is allowed "by right" yet is subject to specific zoning standards. These applications require a more thorough and lengthy review than a simple Zoning Clearance.
- (b) Development standards or simple conditions may be attached to a Site Plan Review approval, consistent with the requirements for the Use Type of the application and the zone within which it is located.
- (c) Approval of a Site Plan Review shall be required, at the discretion of the Director, in the following instances:
  - (1) For the establishment or change of use of any land, building, or structure, including complex or extensive uses of agriculturally-zoned land, that is allowed "by right," requires a building permit, and is subject to specific zoning or development standards; and
  - (2) For the construction, erection, enlargement, alteration, or moving of large and/or multiple buildings or structures, including farm residences; provided, however, no such approval shall be required for growing field, garden, or tree crops or for general farming operations.
- (d) Site Plan Review applications shall be submitted to the Planning Division, which shall approve, conditionally approve, or disapprove, such application or set the application on the agenda of the Planning Commission for interpretation and determination. Standard conditions that have been drafted to be specific to the proposed use may be placed on the approval of a Site Plan Review application by the Planning and other Divisions or Departments. The application shall be denied unless it is found to satisfy the requirements of this Code and the policies and standards of the General Plan.
- (e) Whenever the proposed Site Plan Review has been approved, and no such use has been initiated within one year after the date of such approval, the approval shall thereupon become null and void, unless a permit extension has been requested and granted.
- (f) A Site Plan Review permit may be extended for a period not to exceed one year by the Department.
- (g) The decision of the Planning Director, Planning Division, Building Division or any other County department or official shall take effect, and appeals thereof made and considered, in the manner provided in Section 8.2-225 of this Article.

## SITE PLAN REQUIREMENTS

The site plan shall be on a sheet NO LARGER than 24" x 36", except as otherwise specified by the pre-submittal planner. A clearly readable and reproducible reduction is also required if your site plan is larger than 8½" x 11". The north side of the lot should be at the top of the plan. **Please see an attached sample site plan**. The following outline contains those items to be included on your site plan, **if applicable**:

## A. PHYSICAL CHARACTERISTICS

The physical characteristics of the project must be accurately portrayed on the site plan. Please include (where applicable):

- 1. North arrow and scale (preferably not less than 1'' = 20').
- 2. Exterior dimensions of the property.
- 3. Setback dimensions (from property lines to structures) and distances between structures.
- 4. Existing and proposed structures labeled "existing" and "proposed". Locations of existing and proposed wells, septic tanks, leach lines and replacement areas.
- 5. Physical features of the site, including mature trees, topographical contours, and landmarks.
- 6. Use(s) of structures, noting those existing structures to be removed, including abandoned wells.
- 7. Gross floor area of each structure (may be shown on the structure or in the legend).
- 8. Existing and proposed paved areas, including type of surfacing and widths of all driveways, access easements, walks and rights-of-way.
- 9. Adjacent streets with names.
- 10. Location of existing and proposed easements (including utility easements).
- 11. Existing and proposed drainage facilities, including surface drainage patterns.
- 12. Location of fire hydrants, freestanding lighting fixtures, walls and fences.
- 13. Location of existing and proposed signs.
- 14. Location and dimensions of paved off-street parking (garage or carport will meet the off-street parking requirement).
- 15. Identify adjacent land uses (residential, commercial, industrial, agricultural)
- 16. Multi-family Residential and Commercial/Industrial only:

- a. Treatment of open areas, including recreational facilities, landscaping, storage and operations yards, etc.
- b. Location of trash enclosures.
- c. Square footage of proposed and existing construction. If different use types, such as retail, office, or warehouse, please specify percentages of floor area.
  - d. On-site parking, circulation, and lighting.
    - Layout and dimensions of parking area and spaces, including accessible parking spaces. Please number the parking spaces and circle the highest number.
    - 2. Direction of traffic flows (shown with arrows).
    - 3. Off-street loading spaces and facilities (commercial/industrial only).
    - 4. Bicycle and motorcycle parking.
    - 5. Concrete curbing and retaining wall details.

## B. TITLE BLOCK

A TITLE BLOCK shall be provided in one corner of each page of the plot plan, and contain the following information:

- 1. Proposed use(s).
- 2. Name, address and phone number of property owner and engineer or architect.
- 3. Assessor's Parcel Number and Project address (if applicable).

## C. LOCATION MAP

A LOCATION MAP shall be provided on a separate map or page and include the following:

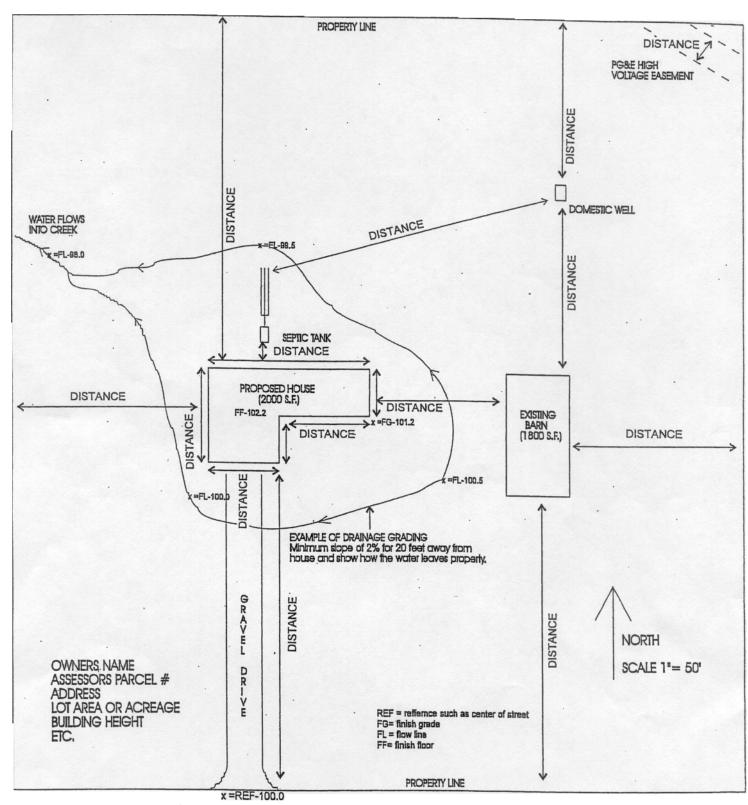

- 1. North arrow and scale.
- 2. Existing street pattern with names (from the property to the first public road). If the property is ¼ mile or more from the nearest public road, an approximate distance shall be shown.
- 3. Subject property identified with cross-hatching.

#### D. LEGEND

A LEGEND shall be provided, and shall include the following information:

- 1. Gross acreage of subject property and net area of property (excluding streets and access easements).
- 2. Number of required and proposed parking and loading spaces, and parking area size in square feet.
- 3. Building coverage (square footage of structures divided by square footage of property).
- 4. Percentage of landscaping provided based on the gross area of site, parking and drive areas.

## SAMPLE SITE PLAN

(without a true survey a point is picked as the reference elevation as the center of the street)

C)DIM ROAD such

## **BUILDING ELEVATION REQUIREMENTS**

BUILDING ELEVATIONS (north, south, east, west) shall be on maximum 24" x 36" sheets and drawn at a scale of 1/8" = 1" or 1/4" = 1', and shall include the following information:

- 1. Scale, building dimensions (height and width) for each elevation. If measuring height at the "averaged midpoint", show calculations.
- 2. Colors, materials and textures to be used.
- 3. Architectural treatments (entrances, windows, eaves, etc.) and architectural details (retaining walls, fences, planters, etc).
- 4. Proposed signs, including dimensions and copy.

## **COUNTY OF YOLO COUNTY**

## **Department of Community Services** *Environmental Health Division*

292 West Beamer Street, Woodland CA 95695 Phone: (530) 666-8646 Fax: (530) 669-1448

## **ENVIRONMENTAL HEALTH LAND USE REVIEW SURVEY**

A building or business license application may require a review from Yolo County Environmental Health (YCEH) to ensure the compliance with County, State and Federal laws and regulations. Please complete this survey and answer questions pertaining to each YCEH unit and submit it as part of your complete application.

#### **PURPOSE OF THIS FORM**

Complete Form 1A to help determine if a private project requires coverage under the Yolo Habitat Conservation Plan/Natural Community Conservation Plan (Yolo HCP/NCCP). See Permitting

Guide, Chapter 5 for more information on the purpose of this form and how to fill it out. If Form 1A results in a determination that the project requires coverage, complete Form 2 to provide preliminary information about estimated fees and potential avoidance and mitigation measures that may apply to the project. Form 3 is the formal application for coverage. Form 1A and Form 2 are for informational purposes and are not applications for permit coverage.

#### RESOURCES YOU WILL NEED TO COMPLETE THIS FORM

Yolo HCP/NCCP Permitting Guide, Chapter 5 www.yolohabitatconservancy.org/documents/permitguide

В	BOX A: PROJECT INFORMATION							
1	Project Name							
2	Project address and assessor's parcel number(s) (APNs)							
3	Briefly describe the proposed activity/development that will result in any site disturbance/activity/development that would result in <b>ongoing/permanent impacts</b> and any physical changes to the existing features, vegetation, or land, including any site preparation or construction activities that would result in <b>temporary impacts</b> on the project site (e.g., temporary work areas, staging areas, installation of subsurface utilities). Please see Chapter 5 of the Permitting Guide for information about details to include in this summary.							
4	Check applicable local jurisdiction	☐ Yolo County ☐ City of Davis ☐ City of West Sacramento	City of Winters City of Woodland Other					

BOX B: SCREENING QUESTIONS							
1	approval/permit? (e.g., a general plan amendment, rezoning, use permit, variance, or land division)	Yes, my project/activity requires a discretionary approval/permit (if you are not sure, ask the local jurisdiction with approval authority, e.g., City or County planning office)  No, the approval/permit required for my project/activity is ministerial (e.g., a building permit, certain site/design reviews, certain license approvals) (Skip to Box C, Item 2)					
av file	vailable, then please submit the project information o	lete the following items. If a planning level survey is not on the first page of this form along with a shapefile or kml and request an initial evaluation. The initial evaluation of Form 1.					
2	Is the project/activity proposed entirely on land mapped as "developed"? (If a planning-level survey has yet to be conducted, contact the Conservancy to request an initial assessment)	<ul> <li>☐ Yes.
