CAO Patrick Blacklock presented the below options for the 2019/20 CCP budget. All received handouts.

The attachments included with this agenda item included:

- *Current Community Corrections Partnership 5-Year Projection (Updated to reflect 2019-20 Governor's January Proposed Budget) Scenario 1: Baseline. Scenario 2: Recession (Attachment C)*
- *Yolo County Community Corrections Partnership Fiscal Year 2019/20 Request Budget Details. Covered Countywide General, District Attorney, Library, Probation, Public Defender and Sheriff. (Attachment D)*
- *CCP 2019/20 Program Presentations – All agencies presented at our April 8, 2019 meeting. (Attachment E)*
- *Community Corrections Partnership Funded Programs 2018/19 along with the Strategic Plan Objectives with Funding Needs. (Attachment F)*

After a brief introduction from the County Administrator, Patrick Blacklock, and Chief Probation Officer, Dan Fruchtenicht, the group discussed the CCP funded programs, and different options for how to revise the FY 2019/20 budget.

After discussion by the CCP members and public comment, there was a motion made by Public Defender, Tracie Olson, and Health and Human Services Director, Karen Larsen, to expand the capacity of the Mental Health Court and Addiction Intervention Court by funding 1 case manager for \$130,000 from unused CCP treatment funds, and funding 1 probation officer from the Sheriff's budget (\$90,000 from non-personnel costs) and the District Attorney's budget (\$48,000 from the high tech program).

During discussion, Chief Deputy District Attorney Jonathan Raven and Sheriff Tom Lopez moved to amend the main motion to fund the same positions with the same funding sources, except that only \$20,000 would be used from the District Attorney's high tech program with the other \$28,000 coming from Probation. The group voted on the amendment, and the motion failed, with a vote of 3 AYE (Raven, Lopez, Miller) and 3 NO (Larsen, Olson, Fruchtenicht).

After the amendment motion failed, the group voted on the main motion by Olson/Larsen. The main motion passed with a vote of 4 AYE (Olson, Larsen, Fruchtenicht, Miller) and 2 NO (Raven, Lopez).

CAO Blacklock and Tom Haynes, with the Department of Finance, will adjust the recommended budget consistent with the action taken today. This will go to the BoS in June, and then the CCP will continue to look at its budget over the summer months, and depending on how the grant revenues come in, or do not come in, we will continue with our work regarding the CCP budget.
