SUBJECT: Clarksburg Lighting Assessment District

BACKGROUND

An assessment of \$22.00 per parcel for each of the 148 parcels for the 1994-95 fiscal year has been established for the Clarksburg Lighting Assessment District. The assessment is the same as the assessment levied for the previous fiscal year.

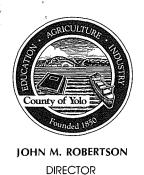

BUDGET IMPACTS:

There is no impact on any fund other than the special fund for this district. The amount of \$3,200 is budgeted for anticipated expenses. The \$22 parcel charge should produce revenue of \$3,256. There is sufficient reserve fund balance to cover unanticipated expenses.

OTHER AGENCY INVOLVEMENTS:

The street lights are totally operated, maintained, and replaced as needed by Pacific Gas and Electric Company. The County Auditor, Treasurer, and Public Works Department provide administrative services and receive reimbursement from this fund for their costs.
