## **YEMSA ADVISORY COMMITTEES**

### **Physicians' Advisory Committee (PAC)**

This committee provides advice and recommendations to the Yolo County Emergency Medical Services Agency (YEMSA) and YEMSA Medical Director on medically related topics. Examples include Advanced Life Support (ALS) and Basic Life Support (BLS) medical treatment guidelines; new prehospital skills and/or medications; prehospital policies and procedures related to patient medical management; review of medical quality issues. Membership consists of:

- YEMSA Medical Director & Administrator
- EMS Provider Medical Directors
- Base Hospital Medical Directors (Emergency Department Physicians)
- Base Hospital Emergency Department Managers or Nurse Liaisons
- YEMSA Staff
- Single representative from ALS field providers (by invitation of the YEMSA Medical Director)

### **Continuous Quality Improvement (CQI) Committee**

The CQI meeting is to better monitor prehospital care provided in Yolo County as well as the necessary reviews, studies, and audits required to ensure that the CQI process was working effectively. This committee meets quarterly and membership includes:

- YEMSA Medical Director & Administrator
- EMS Provider Medical Directors
- Base Hospital Medical Directors (Emergency Department Physicians)
- Base Hospital Emergency Department Managers or Nurse Liaisons
- EMS Providers, Staff, Paramedics and Emergency Medical Technicians (EMTs)
- CQI personnel from field providers (fire department and transport providers)

### **CQI ST Elevation Myocardial Infarction (STEMI)**

- YEMSA Medical Director & Administrator
- EMS Provider Medical Directors
- Cath Lab Medical Director, Managers or Nurse Liaisons
- EMS Providers, Staff, Paramedics and EMTs
- One (1) designated representative from each field providers (fire department personnel and transport providers)

### **QI Trauma Advisory Committee (TAC)**

This committee is responsible for reviewing select trauma cases occurring in Yolo County to determine if care provided was appropriate and that the destination decisions were appropriate to the injury incurred. This committee will meet in conjunction with the CQI committee meeting and membership includes:

- YEMSA Medical Director & Administrator
- EMS Provider Medical Directors
- Emergency Department/Trauma Medical Directors
- Emergency Department Trauma Managers or Nurse Liaisons

# Yolo County Emergency Medical Services Agency
