Road Construction in Knights Landing and Woodland Starts September 30

(Woodland, CA) - In support of the 2019 Pavement Preservation Project, the following county roads (CR) in the Knights Landing and Woodland areas will be closed to through traffic from September 30 to November 15 in these locations:

- CR 102 from County Road 17 to State Route 113
- CR 22 from the eastern City of Woodland limit to northbound Interstate 5 ramp

Detour signage will guide traffic to alternate routes and resident and property access, in the closed areas, will be provided during the construction.

Construction costs are approximately \$2 million and will be funded by gas taxes distributed by Senate Bill 1 (SB-1). The low bid contractor is George Reed, Inc., from Modesto, California.

###

About Previous Road Maintenance: 2018's SB-1 gas tax distributions to Yolo County helped provide new asphalt, chip-seal surfaces or updated pavement to over 25 miles of roadway in the Capay, Davis, Woodland, and Zamora areas.

About Road Maintenance: Approximately 20 Road Maintenance employees care for over 750 miles of public roads. Submit a road maintenance request by visiting the county's website: www.yolocounty.org, and clicking on the Road Maintenance Request icon in the middle of the page.
