

## **FIRST 5 Yolo is pleased to announce Early Childhood Mental Health Training Scholarship Opportunities**

### **Napa Infant-Parent Mental Health Fellowship Program**

This highly regarded 15-month fellowship is an intensive, interdisciplinary training and mentoring program, for professionals who work with children ages 0 to 5. The program provides a rich, interdisciplinary learning experience designed to equip professionals with the latest thinking and research on models of care and to support an understanding of relationship-based therapies.

### **Child-Parent Psychotherapy Learning Collaborative**

An 18-month training program that is intensive enough to allow most practitioners to adopt Child-Parent Psychotherapy. Trainings are designed for teams of licensed mental health professional, rather than for individuals. The Learning Collaborative model was adapted from the National Child Traumatic Stress Network Learning Collaborative model.
