

# Free Gardening Class!

## Soil Fertility: Composting and Cover-Cropping for the Backyard Gardener

This class will cover the basics of how to build soil organic matter in your garden through home composting methods and cover-cropping

Saturday, February 29<sup>th</sup> 2020  
10:00 – 11:30 am

Hanna and Herbert Bauer Memorial  
Community Garden  
137 N. Cottonwood St  
Woodland, CA 95695  
Garden is on the west side  
of the building

To register (required) contact David  
Linebarger by February 28<sup>th</sup>:  
[david.linebarger@yolocounty.org](mailto:david.linebarger@yolocounty.org)  
530-666-8429

*Please wear appropriate clothing for the weather and shoes that can get muddy, as the class is outside in the garden. Heavy rain postpones or cancels the class.*

Class taught by  
Garden Manager David Linebarger

- Learn about various composting setups you can create in your own backyard, including using worms!
- Discover the magic of cover-cropping and how it builds organic matter in the soil
- Understand how better soil creates produce with more nutrients and better yields
- Get your questions answered
