## **Esparto Transfer Station Reopens on Wednesdays for Rural Residents**

(Woodland, CA) – Effective Wednesday, April 8th, the Esparto Recycling and Transfer Station will reopen to residential customers who live in the unincorporated areas of the county that do not subscribe to solid waste curbside collection services. The Transfer Station, located at 27075 County Road 19A in Esparto, will be open on Wednesdays from 9:30 a.m. – 3:30 p.m. and remain closed all other days.

A Code Enforcement Officer will be onsite checking identification to ensure this essential service is serving the needs of rural residents only. This screening process is also in place to ensure that unessential waste related items are not recycled until the Yolo County Shelter in Place order is lifted.

While the Household Hazardous Waste Facility remains closed to residents at the Yolo County Central Landfill, the Division of Integrated Waste will continue to serve the needs of residents by offering free at-home collection of hazardous materials. To schedule a free pickup of hazardous waste please call the Landfill at (530) 666-8813. For more information visit: [www.yolocounty.org/landfill](http://www.yolocounty.org/landfill).
