Dear Mr. Pinola:

Thank you for your participation in the City of West Sacramento's National Night Out Celebration. My staff and I recognize the effort you took to prepare for the event. It pleases me to announce that the evening was a complete success. It provided department staff a wonderful opportunity to build positive relationships within the community.

From neighborhood to neighborhood the streets of West Sacramento were filled with teams of citizens who share an eagerness to take part in the prevention of crime in our city. We are reaching our goal to provide, with your help, a safe community through effective communication and problem solving. Again, thank you for your participation and dedication to this worthwhile event and we hope to you will join us again next year.

Sincerely,

DAN DRUMMOND
