

# Solid Waste & Recycling Services for Binning Residents

Dear Resident,

The Yolo County Division of Integrated Waste Management has been working with Davis Waste Removal, your local hauling company, to enhance solid waste and recycling collection services in your neighborhood.

County staff will be presenting a franchise agreement to the Board of Supervisors on August 5th seeking approval of the agreement. Under the new agreement and corresponding County ordinance, each Binning resident would be required to dispose of their trash weekly either by continuing subscription with Davis Waste Removal or by self hauling their waste to a proper disposal facility.

Residents will benefit from the new agreement with the addition of an annual bulky item drop off event and the option to select green waste services. We would like to provide you this opportunity to ask County staff any questions and make suggestions or comments on these new proposed services. Please feel free to contact us via the information below.

## **Service Rates**

### **Proposed Services:**

- 95-gallon weekly trash collection
- 64-gallon weekly recycling collection
- Annual bulky item drop off event

Proposed Rate: \$19.25 / month

### **Current Services:**

Current services include the trash and recycling listed above but do not include an annual bulky item drop off event or green waste service options.

Current Rate: \$18.80 / month

## **Optional Green Waste Services**

Davis Waste Removal has offered to provide green waste services to residents in the Binning community if 30% or more residents are interested in signing up for green waste collection. This service would be provided on a weekly basis in a 95-gallon cart at an additional rate of \$11.00 per month. If you are interested in green waste services please contact one of the Yolo County representatives listed above.

Proposed Rate with Green Waste: \$30.25/month
