## Background

---

The Rural Community Investment Program (RCIP) is a mechanism for advancing unaddressed programs, policies, and initiatives in rural unincorporated areas that meet one of two objectives: economic development or health and safety. Each fiscal year, the County Administrator's Office, working with departments and the rural community, explores, prioritizes and presents projects to the Board of Supervisors for consideration for assistance in the form of grant research or the provision of partial funds. For more information on the RCIP, please visit the webpage, which may be found [here](#).

## Executive Summary

The Rural Community Investment Program is an annual expenditure plan adopted by the Board of Supervisors that advances unaddressed programs, policies, and initiatives in rural unincorporated areas that meet one of two objectives: economic development or health and safety.

| <b>Projects Funded</b>                      | <b>Amount Allocated</b> |
|---|-------------------------|
| Clarksburg 1883 Schoolhouse                 | \$50,000                |
| Esparto Streetscape                         | \$50,000                |
| Fire Response Rehab Trailer Supplies        | \$20,000                |
| Guinda Vault Toilet                         | \$65,000                |
| Madison Water System Design and Engineering | \$50,000                |
| Poplar Street Bollards                      | \$5,000                 |
| <b>Total</b>                                | <b>\$240,000</b>        |

## Clarksburg 1883 Schoolhouse

**Agency:** County Administrator's Office

**Amount Awarded:** \$50,000

**Project:** This project includes the relocation of a schoolhouse to permanently reside in Clarksburg, thereby making it eligible for additional grant and revenue opportunities.

## **Esparto Streetscape**

**Agency:** Community Services Department

**Amount Awarded:** \$50,000

**Project:** This project includes funding to reinstall streetprint, flashing pedestrian beacons, and other County-funded encroachments along SR-16 in downtown Esparto following the completion of Caltrans' complete streets project.

## Fire Response Rehabilitation Trailer Supplies

**Agency:** County Administrator's Office/Fire Districts

**Amount Awarded:** \$20,000

**Project:** This project will support fire response efforts in rural parts of the County. The cost of this project includes rehabilitating and equipping an existing air rig trailer, the initial supply of water, shelf stable food, generators, and more.

## Guinda Vault Toilet

**Agency:** County Administrator's Office

**Amount Awarded:** \$65,000

**Project:** This project includes the installation of vault toilet in Guinda (potentially on Grange or Capay Fire Protection District property) to accommodate increased need for services along SR-16. Does include permitting costs as location of facility is not finalized. This project does not include ongoing maintenance, estimated to be \$4,000-\$7,000. Pictured below is the Capay Fire Protection District property.

## Madison Water System Design and Engineering

**Agency:** County Administrator's Office

**Amount Awarded:** \$50,000

**Project:** This project includes funding for design and engineering services related to the replacement of Madison's antiquated and undersized water system.

## Poplar Street Bollards

**Agency:** Community Services Department

**Amount Awarded:** \$5,000

**Project:** This project includes the installation of bollards on Poplar Street in Clarksburg to prevent non-local vehicular through traffic in alley.
