## **Cannabis Land Use Ordinance Hearing November 12**

**(Woodland, CA)** – The Yolo County Planning Commission will hold a hearing on the County’s proposed Cannabis Land Use Ordinance (CLUO) at its regularly scheduled meeting on November 12 at 8:30 a.m. via Zoom at:

- Link: <https://zoom.us/j/91217693177?pwd=bHRTaGxoSUIKOEI0N1E1czBjeVIEdz09>
- Phone: 1-669-900-9128
- Meeting ID: 912 1769 3177
- Passcode: 174319

The CLUO would add a discretionary conditional use permit requirement on all cannabis activities, including zoning, site design, development, and operational standards. The CLUO will potentially reduce or expand allowed cannabis activities in the unincorporated areas of the County, and will include requirements for public noticing, buffers from identified sensitive land uses, caps on the number of operations and license types, and other performance standards. Amendment of several policies of the County General Plan, and of several other related County regulations, is also proposed. The Final Environmental Impact Report (EIR) for the CLUO was issued on September 1, 2020 and can be found on the County’s website at: <https://www.yolocounty.org/community-services/cannabis-3398>.
