

**YOLO COUNTY
RECYCLING CALENDAR
2021**

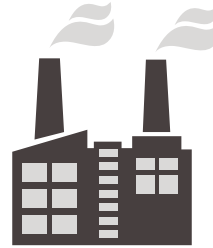

RECYCLING: HOW IT WORKS

LIFE CYCLE OF A PLASTIC WATER BOTTLE

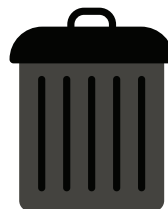

When recyclable materials end up in the trash, they take up valuable space in the landfill and contaminate our environment. Always place recyclables in the correct bin!

First, oil is extracted from the Earth & sent to a refinery where it is cleaned

Next, the oil is shaped into pellets that are heated & shaped into bottles.

Then, the bottles are filled with water & brought to stores.

Placing recyclable materials into the correct bin allows them to be melted down and used a second time, saving resources and the environment!

JANUARY

SUNDAY MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY SATURDAY

If you need to dispose of a Christmas tree this year, please remove all decorations, metal, lights, and the tree stand before you bring it to the Yolo County Landfill for free recycling!

TIP OF THE MONTH: Anticipate recycling! When purchasing products, look out for goods made from recycled materials to support sustainable businesses & goods with minimal or recyclable packaging to help reduce waste.

The "CRV" on your bottles and cans stands for California Redemption Value.

Or in other words... 

To redeem your deposit, find a buy back location near you at www.bottlesandcans.com.

ORGANICS: HOW IT WORKS

Food & organic waste includes scraps of fruits, bread, meat, bones, egg shells, grass, wood chips, leaves, & more.

Food & Organic Waste

Food & Organic Waste Containers

Waste Collector

Yolo County has two waste haulers: Waste Management and Recology Davis. See the month of December for more information on your hauler!

Life Cycle of organics to Compost

Did you know that food-soiled paper like napkins, coffee filters, & pizza boxes should also go in the organics bin?

Plant & Animal Life

Compost Facility

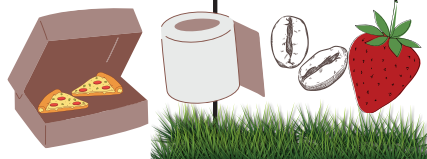

Using compost increases the nutrient content of soil and can be a great addition to your at-home garden!

Soil

Organic waste comes to Yolo County Central Landfill's Anaerobic Composter to be converted to renewable energy and returned to the Earth as compost to close the circle!

HOUSEHOLD HAZARDOUS WASTE: HOW IT WORKS

latex or oil based paints

batteries

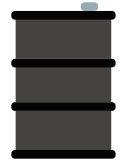

household cleaners

compact fluorescent bulbs

pesticides and herbicides

home generated medicine or sharps

motor oil

*to see a full list of hazardous waste items, visit YoloCounty.org/Landfill

Why can't it go in the trash?

- It is illegal to dispose of hazardous waste in the garbage or recycling because chemicals can be released into the environment and contaminate our air, water, soil, and possibly the food we eat, potentially causing serious health problems in humans and wildlife.

Where does it go instead?

- Yolo County Central Landfill's Hazardous Waste Facility handles the safe disposal of these items and offers residents FREE disposal of hazardous waste every Friday and Saturday from 7:30 AM to 3:30 PM.
- Seniors and disabled residents who are unable to drive may call (530) 666-8856 to schedule a free pick-up appointment. See the list of resources in the back for other safe disposal options!

RE-USE

re-pur-posed ma-te-ri-als (noun):

byproducts and waste that have value "as is" to a second life

The **best** way to reduce waste is to not create it in the first place! Reducing your consumption and reusing items when you can are the **most effective** ways you can preserve natural resources, protect the environment, and save money!

Making new products requires **a lot** of materials and energy. Reusing **saves the energy** needed to dismantle and re-manufacture products & **reduces the waste** and pollution from raw material extraction.

Join us in diverting waste from the landfill at our monthly Big Blue Recycling Barn events! Check the calendar for our open dates.

APRIL

SUNDAY MONDAY TUESDAY WEDNESDAY THURSDAY FRIDAY SATURDAY

Look for durable re-usable replacements for the single use items you currently use. Bring your own shopping bags to stores. When getting food to-go, bring your own cup and to-go container.

				1 April Fools' Day	2 Good Friday 	3 
4 Easter Sunday Landfill Closed	5	6	7	8	9 	10 
11	12	13 Beginning of Ramadan	14	15 Tax Day	16  	17  
18	19	20	21	22 Earth Day	23 	24 
25	26	27	28	29	30 	

TIP OF THE MONTH: If you can't reuse it, maybe someone else can. Consider donating unwanted items to a local thrift store or non-profit. To find more places to shop for used items or donate your own, check the back pages of this calendar for a list of local thrift stores!

The Big Blue Barn accepts donations!

Donate your unwanted items to the Big Blue Barn Thrift Store at the landfill during normal business hours.

Don't forget to shop with us every month too!

RECYCLING REGULATIONS

Assembly Bill 341

- ♻️ Focuses on increased commercial waste recycling as a method to reduce greenhouse gas emissions.
- ♻️ Requires all businesses that generate 4 or more cubic yards of solid waste weekly & apartment properties with five or more units to have a recycling program.

Assembly Bill 827

- ♻️ Educates and involves consumers in achieving the state's recycling goals.
- ♻️ Requires businesses subject to Mandatory Commercial Recycling and/or Mandatory Organics Recycling to make recycling and/or organic recycling bins available to customers.

Senate Bill 1383

- ♻️ Establishes a 75% methane emissions reduction target by 2025 in a statewide effort to reduce emissions of short-lived climate pollutants.
- ♻️ Further supports California's efforts to achieve the statewide 75 percent recycling goals and strengthens the implementation of mandatory recycling.

WHY RECYCLE?

When you **recycle**...
less energy is used so
fewer fossil fuels are burned which
reduces the amount of greenhouse gases
entering into the atmosphere and helps
reverse climate change and **save** wildlife!

MAY

RE-CY-CLE (verb):

The practice of recovering **used materials** from the waste stream and then incorporating those same materials into the manufacturing process to **decrease greenhouse gas emissions** from manufacturing brand new products.

ORGANICS REGULATIONS

Assembly Bill 1826

- ♻️ Mandates that local jurisdictions across the state to implement an organic waste recycling program to divert organic waste generated by businesses.
- ♻️ Requires all businesses that generate 4 cubic yards or more of solid waste per week to have organic waste recycling services.

Senate Bill 1383

- ♻️ Establishes methane emissions reduction targets through a 75% reduction in the statewide disposal of organic waste by 2025.
- ♻️ Strengthens the implementation of mandatory commercial organics recycling established in AB 1826 and mandates food recovery as a diversion tactic.

Organic waste includes food waste, green waste, landscape and yard clippings, nonhazardous wood waste, and food-soiled paper.

In landfills, organic waste generates **methane**.

Methane traps heat in the atmosphere about **80 times more** than

In order to avert the worst effects of climate change, we need to **reduce methane emissions**.

The good news is...

organic waste is **readily compostable** into **soil**, which prevents methane production!

**WHY
RECYCLE
ORGANICS?**

JUNE

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
 Food Scraps	 Food Soiled Paper	1	2	3	4	5

20	21	22	23	24	25	26
Father's Day Summer Solstice						
27	28	29	30	In 2018, 39 million tons of waste was landfilled. One third of it was compostable.		 Yard Trimmings

TIP OF THE MONTH: Always practice reducing and reusing before recycling your organic waste. Make shopping lists so you only purchase the food you need, try new recipes to use up ingredients, & donate edible food to a local food bank or pantry.

Keep pests out of your compost!

- Collect food scraps in a container provided by your city or one that **seals completely**.
- Line indoor collection bins with ASTM D6400 rated **compostable bags**.
- Sprinkle some **baking soda** in the bin if you notice any smells.

PROPER DISPOSAL OF HOUSEHOLD HAZARDOUS WASTE

IT'S NOT JUST THE RIGHT THING TO DO, IT'S THE LAW

Yolo County Landfill offers free HHW drop-offs to residents every Friday & Saturday from 7:30am to 3:30pm. Free senior & disabled pick-ups are also offered - call (530) 666-8856 to schedule an appointment.

Universal Waste Rule

- ❏ Bans fluorescent bulbs, batteries, and other mercury-containing devices such as TVs and computer monitors from landfills.

Steps for Disposal

- ❏ Learn what materials are hazardous waste visiting YoloCounty.org/Landfill.
- ❏ Gather hazardous waste from around your home.
- ❏ Check the 'Resources' section in the back of this calendar to find safe disposal locations near you.

WHY ISN'T HAZARDOUS WASTE TRASH?

Household hazardous waste like

batteries, electronic devices, motor oil, paint, household cleaners, & more contain dangerous **chemicals** that can be released into the environment and contaminate our **air, water, and the food** we eat when illegally or improperly disposed of.

You can also cause additional **hazards** to your garbage handler by illegally throwing hazardous waste in the garbage.

JULY

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
<p>Dumping used motor oil on the ground, down the drain, or in the trash contaminates both soil and water. Protect our valuable agricultural lands by recycling used motor oil at any of the 14 used oil recycling sites in Yolo County—see the back pages of the calendar. Many of these locations accept used oil filters for recycling too!</p>				1	2	3

CONSTRUCTION & DEMOLITION RECYCLING

Yolo County Landfill accepts separated and mixed:

- Clean wood
- Drywall
- Metals
- Concrete
- Rigid plastics
- Porcelain tile
- Bricks
- Cardboard
- & more!

The Big Blue Recycling Barn at the Yolo County Landfill also accepts **reusable building materials** at no charge.

Bring your leftover materials to the **scale house** during normal operating hours!

LOCAL

Yolo County, and all the cities within, have a **Construction and Demolition (C&D) Ordinance** that requires construction, demolition, and renovation projects to reuse and/or recycle a portion of their waste.

STATE

The **CALGreen building code** requires at least **65%** of the waste generated during construction or demolition projects be diverted from the landfill.

RECYCLING DO'S AND DON'TS

DO:

-  Separate your recyclables correctly by only putting the items shown below into your recycling cart.
-  Rinse and dry recyclable containers before placing them in your recycling cart.

DON'T:

-  Don't bag your recyclables. Plastic bags cannot be recycled and contaminate batches of good recyclables.
-  Don't overfill your recycling cart. The lid must be able to close in order to prevent litter and allow your hauler to safely pick-up your cart.

Plastics (Bottles, Jugs, Jars & Containers)

Glass Bottles & Jars

Metal/Aluminum (Cans, Aerosol Cans, Foil)

Clean & Dry Paper, Cardboard

SEPTEMBER

Call: (530) 666-8799

Both are located at the Yolo County Landfill at 44090 CR 28H in Woodland.

TIP OF THE MONTH: Recycling correctly is essential to prevent contamination! Hazardous waste, plastic bags, food waste, and other contaminants can ruin entire batches of recyclables. If you are unsure if something is recyclable, check with your local recycling program!

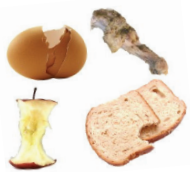

ORGANICS DO'S AND DON'TS

DO:

- 🍏 **Separate your organic waste** from other trash. Every little bit counts, saving landfill space & producing usable soil for the community.
- 🍏 Line indoor collection bins with ASTM D6400 rated **compostable bags**. This will help defend against pests and make transferring to the organics cart easy.

DON'T:

- 🍏 Don't put organic waste into the trash or recycling bins. When placed in the trash, organic waste **fills up the landfill** unnecessarily. When placed in the recycling bin, it **contaminates** batches of good recyclables.
- 🍏 Don't leave any **inorganic packaging** like food labels, plastic wrap, or rubber bands in your organic waste.

Food Scraps

Yard Trimmings

Food Soiled Paper

Look for compostable bags like these at your local supermarket!

OCTOBER

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
<p>Did you know? When organic waste is landfilled, methane gas is produced. Methane has up to 86 times more heat trapping potential than other greenhouse gases, which makes it a huge contributor to climate change.</p>					1	2

HOUSEHOLD HAZARDOUS WASTE DO'S AND DON'TS

DO:

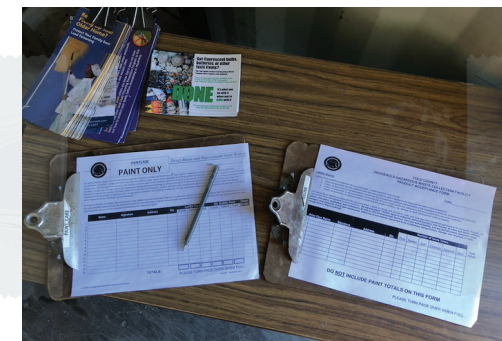

- Do **utilize reuse programs** in your community like the one pictured below at the Yolo County Landfill.
- Do check your jurisdiction's **resources** to determine where each hazardous item should go.

DON'T:

- Don't put any hazardous waste items in the **garbage or recycling**. Not only is it harmful to the environment, **it's illegal**.
- Don't remove **product labels** or remove products from their original containers for storage.

The Yolo County Landfill has a **Re-pur-posed shed** for hazardous waste items that are in good condition or unused. These items are available to the local community for **FREE** Fridays and Saturdays from **7:30 AM to 3:30 PM!**

NOVEMBER

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
	1	2 Election Day	3	4	5 	6 
7 Daylight Savings Time ends	8	9	10	11 Veterans Day	12 	13 
14	15 America Recycles Day	16	17	18	19  	20  
21	22	23	24	25 Thanksgiving Day Landfill Closed	26 HHW Facility Closed	27 
28	29 Hanukkah	30	<p>PaintCare.org is an excellent resource for safe paint disposal. Visit their site to find one of their drop-off locations for sorting, reuse, recycling, energy recovery, or safe disposal.</p>			

TIP OF THE MONTH: If you need a hazardous waste product for a project, make sure to buy the correct amount so there is as little waste as possible. If you do have leftovers, give it to someone who can use it with the labels intact or bring it to the re-use shed at the landfill!

America Recycles Day

Take the pledge to **recycle more** and keep America beautiful! Save the date!

Kwanzaa					New Year's Eve	

 Free Christmas Tree Recycling at the Yolo County Landfill 

TIP OF THE MONTH: When shopping for holiday gifts this year, remember to look for things with minimal or recyclable packaging. Between Thanksgiving and New Years, Americans throw away 25% more trash than any other time of year. Let's change that!

Celebrate the new year by reducing your waste!

Challenge your friends & family to make one change to protect the environment this year.
