For locations with an asterisk (*), these are run by Yolo County and are open and free for all Yolo County residents, who will need to bring a document displaying their name and address, such as a driver’s license, ID card, utility bill, or piece of mail. All ages are accepted. Spanish translation will be available at all of these sites. There may be some delays in getting testing results. Registration is recommended in order to speed up the process but is not required and does not guarantee a test. When residents register online, they will not be able to select a time slot and will not receive a confirmation of receipt. Register at: <https://www.avellinocoronatest.com/patient>.

For locations without an asterisk, these are run by the State of California’s OptumServe contract and are open to and free for all California residents, regardless of documentation status. Appointments are preferred but walk-ins are welcome. All ages are accepted. To schedule an appointment for the three OptumServe locations in West Sacramento, Woodland and Winters, call: (888) 634-1123 or go online at: <https://lhi.care/covidtesting>.

At both the State’s OptumServe and Yolo County’s testing sites, residents must wear a face covering and practice physical distancing. None of these sites are drive-thru, so residents will need to park their car and walk a short distance to the testing site. To see all the COVID-19 testing options in Yolo County, visit the County’s COVID-19 testing page at: <https://covidtesting.yolocounty.org/>. Residents can also call Yolo 2-1-1 for resource information.
