September 30, 2008

Dear Knights Landing Resident,

You should have recently received a letter informing you that there will be a change in from Yuba-Sutter Disposal to Waste Management for trash collection services. Yolo County would like to take this opportunity to communicate the transition plan to each resident affected by this change. Below is a schedule of important dates for your reference.

Friday, 10/3/08	Yuba-Sutter to service trash as normal
Tuesday, 10/7/08	Waste Management to deliver new carts
Friday, 10/10/08	Yuba-Sutter's last day of service and collection of old trash carts
Tuesday, 10/14/07	Waste Management to begin new collection services

If you mailed in a reply card, your trash cart size will be delivered accordingly. If you did not receive a reply card or you did call or mail in your requested trash cart size, you will receive the base trash service of one 64-gallon cart. Waste Management will also provide all customers one 96-gallon recycling cart and an annual bulky item collection event at no additional charge.

Effective October 13, 2008 all billing will be transferred to Waste Management and customers will be billed accordingly for their individual service.

When receiving your new carts, a "Starter Kit" will be included with information regarding your new scheduled service day, which will be every Tuesday, and will contain a list of acceptable recyclable materials, annual collection events, and other general information. If you have any questions regarding your new service please contact Waste Management at (530) 662-8748 or the County at (530) 666-8813.

We look forward to enhancing environmental services in your area.

Sincerely,

Linda Sinderson  
Deputy Director  
County of Yolo - Division of Integrated Waste Management
