## Road Closures on CR 24 Due to Pavement Preservation Project

(Woodland, CA) – Due to the Yolo County Public Works Division’s efforts to rehabilitate and repair existing road surfaces, the following sections of County Road (CR) 24 will be closed to through-traffic for maintenance, Monday through Friday during daytime working hours:

- CR 24 between CR 93 and CR 94B from August 9 – 23
- CR 24 between CR 94B and CR 95 from August 24 – September 7

Dates are approximate depending on the amount of maintenance effort required in each section and the availability of paving materials. Travelers may experience delays in these locations. Detour signs will be set up each work day to direct motorists to an alternate route around the closure. Access to properties and businesses along the closed section of the road will be provided at all times.

Construction costs will be funded with gas taxes distributed from the state through the “SB1” Road Maintenance and Rehabilitation Account. For the County’s Road Closures map, visit: [www.yolocounty.org/road-closures](http://www.yolocounty.org/road-closures).
