

Information to Obtain Insignia of Approval

The California Department of Housing and Community Development (HCD) oversees alterations of existing manufactured homes required to bear a U.S. Department of Housing and Urban Development (HUD) label. The Manufactured Housing Program also administers the construction and alteration of commercial modulars, *special purpose commercial modulars*, and multifamily manufactured homes, monitoring design and construction through third-party agencies. Additionally, this Program performs activities on behalf of HUD as a [State Administrative Agency \(SAA\)](#). The Factory-Built Housing Program oversees the health and safety of housing components and systems manufactured to California building standards.
