Project Description: The Yolo County Cannabis Land Use Ordinance (CLUO) establishes comprehensive land use regulations for all cannabis activities including a conditional use permit requirement, zoning and site design requirements, and comprehensive development and operational standards. The CLUO expands allowed cannabis activities in the unincorporated County, and includes requirements for public noticing, buffers from identified sensitive land uses, caps on the number of operations and license types, and other performance standards. Amendment and/or addition of several policies of the Countywide General Plan, and of several other related County regulations, are included as a part of this action.

Notice: This is to advise that on September 14, 2021 the Yolo County Board of Supervisors approved: a Resolution to Certify the EIR, a Resolution to Amend the General Plan and Adopt the Mitigation and Monitoring Program; an Ordinance approving the CLUO; an Ordinance amending the Subdivision Regulations; and an Ordinance amending other sections of the Zoning Regulations.
