

BE INFORMED

1. COMMUNICATION

- **Sign up for YoloAlert @ www.yolo-alert.org**
- **Sign up for PSPS Alerts from PG&E**
 - **pge.com/mywildfirealerts or call 1-866-743-6589**
- **Call 211**
 - **Available 24/7**
 - **Translators available**
- **Check social media**
 - **Facebook**
 - **Twitter**
 - **Nextdoor**
- **Rely on more than one source for emergency alerts because emergency alert systems can fail**

2. EVACUATION PLANNING

- **Go to evacuate.yolocounty.org**
- **Know your evacuation zone - designated area on map with your address**
- **Know your evacuation route - what road to take if there is a need to evacuate**
- **Know your rally point - predesignated gathering point with transportation to evacuate from the area**
- **YoloAlert should have the latest information about your evacuation zone/route/rally point**

3. TOP HAZARDS IN YOLO COUNTY

- **Wild fires (highly likely)**
- **Severe weather/Public Safety Power Shutoffs (highly likely)**
- **Floods (likely)**
- **Drought (likely)**
- **Earthquake (occasional)**
