To the Redistricting Commissioners,

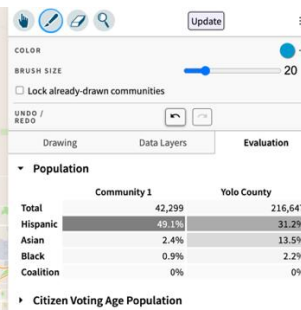

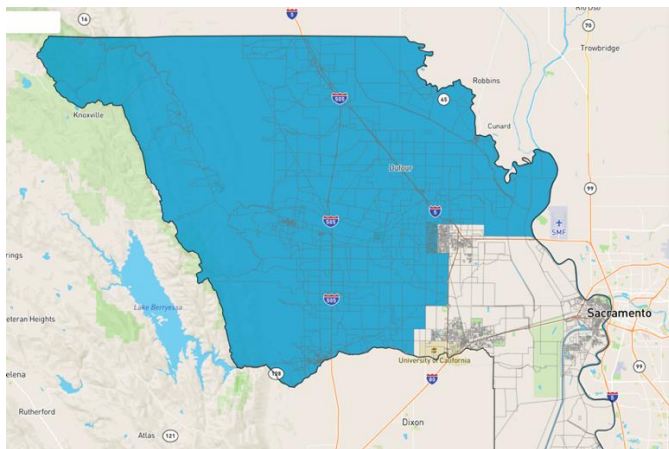

I support redistricting Supervisor District 5 to include Winters and western Woodland in order to ensure that those of who live in rural Yolo County, farm and pay taxes here, are fairly represented. Based on input from other citizens in my rural community at the time of this redistricting process, we are linked by such critically important issues as Groundwater Overdraft; Fire Risk; Flooding; Broadband Availability; Mail Delivery and Road Maintenance as well as Protection by our local Sheriff. The city of Winters is far more aligned with our needs than other nearby cities, along with western Woodland from West Street to the north and south city limits

Below is a map showing the proposed new Supervisor 5 District in blue that best represents our rural community comprised of Dunnigan, Knights Landing, Yolo, and Zamora on the Highway 5 corridor and Esparto, Guinda, Madison and Winters plus the Yocha Dehe Wintun Nation on the Highway 505 Corridor. The current Supervisor District 5 map, including eastern Woodland, does *not* represent our community nor our local needs.

Thank you for your attention to a matter which is very important to me, my family, and others in my agricultural community.

Sincerely yours,
