I invite you To come to Esparto to walk out potholed streets, see our gas station that doesn't exist and the screwball downtown parking. Then ask your self why this is. Also ask your self why no development has occured in ten years and the impact that has had on our schools. No growth no tax base. How does that stack up to the counties big three cities. Please come and see for yourselves it may help your decision on district 5 representation. [REDACTED]
