My comment concerns district 1; I strongly support maintaining the current district 1 boundaries. I am a resident of Clarksburg, I clearly support maintaining our long-time relationship with the city of West Sacramento. I have included my points of support in maintaining the status quo. 1. We have been associated with our cousin, West Sacramento since the 1930s 2. Jefferson Blvd is the link that binds us together. I have many more points of support, how do I relay those to the committee? THX
