## **Historic Grand Opening for Satellite Offices Serving Rural Communities in District 5**

(Woodland, CA) – District 5 Supervisor Angel Barajas invites the public to the Grand Opening of two satellite offices in the communities of Esparto and Knights Landing on November 4, 2021. The Esparto Grand Opening kicks off at 9 am at Rise, Inc., 17317 Fremont Street, Esparto, CA. The Knights Landing event follows at 4 pm in the Knights Landing Family Resource Center, 9586 Mill Street, Knights Landing, CA. County Health Orders require attendees to wear facial coverings.

“As a County Supervisor not only representing urban but also the majority of the rural unincorporated residents, I believe that effective representation is achieved when you are on the ground directly accessible to constituents and addressing their concerns,” said Supervisor Barajas.

For the first time, District 5 opens satellite offices to provide more accessibility and opportunities to connect with rural residents. Supervisor Barajas and his staff welcome the public to discuss issues, including water, roads, youth/senior services, agriculture, and social services, or to socialize. These satellite offices will be open to the public in Esparto on Wednesday and Thursday, from 3 to 6 pm, and Knights Landing on Monday and Thursday, from 3 to 6 pm. Both offices will observe county holidays.

“Although this represents a novel approach in the 5th District, I am confident that my staff and I will continue to provide direct and effective representation to rural residents.”

About Supervisorial District 5: It encompasses large areas of unincorporated Yolo County, including the communities of Knights Landing, Yolo, Zamora, West Plainfield, Madison, Esparto, Dunnigan, Brooks, Guinda, Rumsey, and the north and east areas of the City of Woodland.
