I support plan 2 because this best reflects our community of interest, helping to provide voice for addressing needs. As a rural Yolo Co. resident, West Woodland is where our kids go to school, where we access ag businesses and ag resources, and where we shop for food and medicine. Plan 2 also includes Winters, an agricultural district with over 100 farms and businesses valued at over \$100 million. Plan 2 also keeps West Sacramento neighborhoods intact, including Bright and Broderick areas.
