Dear Board of Supervisor,

I want to first thank you for the work you will be doing as you look at redistricting our county. My name is [REDACTED] and I am a long time resident of Knights Landing. As a rural resident, I strongly urge you to consider Map 5. Map 5 holds true to the needs of rural communities and keeps Woodland as our community of interest. Knights Landing residents go into Woodland to work, shop and our children go to Jr. High and High school in town. I do not believe that putting all rural towns together will be beneficial. On the contrary, towns like Knights Landing will lose resources and its voice. I personally have seen a change with Supervisor Barajas. He, in his short term, has made more changes than we have seen in years past! He has created an atmosphere in which we have a voice and know we are being heard.

Again, thank you for your time and consideration of Map 5.

Sincerely,

[REDACTED]
