Hello Board of Supervisors, As a Knights Landing resident, I thank you for the process of redistricting meetings. Unfortunately, I did not hear of the meetings until the October 18th meeting. I respect the process and opportunity to speak. I will like to strongly support map 5, as a latina voter I feel this is a better representation of our voting percentage. As a county that has large rural and agriculture areas this map spreads the land with all. This gives the Board a common focus .
