#### **Gibson House Tour**

During his tour, Supervisor Barajas learned of the history behind the famous landmark including the amazing preservation efforts and dynamic programming by YoloArts. Keep up the amazing work!

#### **Meeting with the Fire Chiefs**

On March 31st, Supervisor Barajas and his colleague, Supervisor Sandy, met with Fire Chiefs from all over Yolo County to discuss much needed funding. For years, our Yolo County firefighters have volunteered to provide emergency services to the community. However, with an increase in fires and decrease in volunteerism, the need to address staffing, efficiency and funding for Yolo County Fire has emerged. Yolo

County Supervisors and staff are looking at ways to provide the necessary funding for our firefighters.

## Esparto Unified Campaign Kick - Off

This week, Supervisor Barajas attended the CTE Capital Campaign Kick-off for Esparto Unified School District to celebrate and discuss the support needed to enhance academic success for EUSD students. Esparto High School received funding to construct 2 state-of-the-art buildings for welding, media, and culinary arts. However, in order to successfully construct these

buildings, Esparto Unified must still raise 3.2 million within the next 18 months. To enhance the learning for our future leaders, please consider donating.

Let's support our students!

For more information or to donate please visit the [Esparto Unified](#) webpage.
