## Road Closure on CR 32 for Maintenance

**(Woodland, CA)** – Yolo County Public Works Division has planned to rehabilitate and repair existing road surfaces, including a section of County Road 32. CR 32 will be closed to through-traffic from April 4 to April 15, from 8 am to 5 pm, Monday through Friday. The closure will span between CR 93A to the west and CR 95 to the east.

Dates will depend on weather and the amount of maintenance required. Travelers may experience delays in these locations. Detour signs will be set up each workday to direct motorists to an alternate route around the closure. Access to properties and businesses along the closed section of the road will be provided at all times.
